Safe, Clean, Easy to Manage

A hot-air furnace that belches up dust and poisonous gases is *not safe*, and *not clean*. Experience proves that it won't heat all of the house, and yet it burns a scandalous amount of coal. The safe, clean heating system—the one that keeps the whole house always warm, yet burns only half as much coal—is the wonderful

MODEL Heating System

Works so perfectly that a lady or a child can easily manage it. Dust-tight and makes few ashes, because it consumes less coal and burns it completely. Keeps an even warmth in every room, day and night. Steam or hot water.

LEDOM Range — Is also safe, clean, and easy to manage. Burns less coal than any range of its size, and holds the heat instead of sending it up the chimney. Has the biggest, hottest oven.

MODEL HEATING COMPANY, 142 North 10th St., Philadelphia, Pa.

THREE BROTHERS IN LEGISLATIVE RACES

Three brothers, in adjoining counties of the Eastern Shore of Maryland, are Republican candidates this year for the General Assembly.

"Ollie" R. Wright of Hurlocks, Dorchester county, has been named as a candidate for the House of Delegates to fill a vacancy on the Republican ticket in that county caused by the withdrawl of William Maguire, who was chosen several weeks ago by the county nominating convention at Cambridge. In Talbot county his brother, Martin M. Wright of Easton, is the Republican candidate for the State Senate, having been placed on the ticket in succession to Robert B. Dixon, who declined the nomination on account of advancing age and business pressure. This Mr. Wright is a Merchant and president of the Easton Town Council.

The Republican county convention in Caroline nominated for the State Senate a third brother, Walter M. Wright, a canner of Choptank. A fourth brother, William J. Wright, also a Republican, is at present a member of the Board of County Commissioners of Caroline county, and there is a fifth brother, completing the family, who is not without the pale of politics. The Wrights are sons of John R. Wright of Choptank, Caroline county.

Weather Forecast for October.—From *Word and Works*, published by Rev. Irl R. Hicks, of St. Louis, Mo., the following weather forecast is taken for October "A reactionary storm period is central on the 9th and 10th. The temperature will rise and the barometer will fall and increased cloudiness may result in light rains, and change to cooler returning about 10th to 12th. A regular storm period is central on the 14th, covering the 12th to 17th. A reactionary storm period is central on the 19th, 20th and 21st. A regular storm period is central on the 29th, extending from the 24th, to 29th Look for falling barometer, high temperature and electrical storms on and next to the 26th and 27th.

"Lung Fever," the Veterinary said. A Post Mortem proved it to be Worms. This happens in thousands of cases every year, all over the country. But Horses that are regularly fed Fairfield's Blood Tonic for Horses Only, never have Worms and never get Lung Fever. Sold under written guarantee by dealers named in advertisement on page 1.

The Coming Election — The County Ticket.

One month will bring us to the day of election, in which important interests for the State and the county are to be settled, to wit, the election of a State Comptroller and the question as to whether the irresponsible and illiterate negroes in this State shall continue to exercise the high right of the elective franchise, and other questions of public concern.

But we specially desire in this article to call attention to our county ticket, and the importance to our people of electing every man upon it, from top to bottom. The men who were selected are men of integrity and well qualified for the respective positions they were chosen to fill.

The record of the Democratic party in this county has been such as to command the confidence of the substantial citizens of our county. Hence our party has been in control of our county affairs for some years. Every department of our county government has been conducted with intelligence, efficiency and honesty.

The masses of people are not office-holders, nor do they desire to hold office. That in which they are specially interested is, that the government under which they live—State and county—shall be economically and honestly administered. That the taxes they pay shall not be squandered, but applied to the purposes for which they are levied and collected.

All this they have received from the Democratic party, both in the State and in the county.

The good management of our county affairs by the Democratic party is well-known to every intelligent man in Kent county, and there is every reason why our citizens should want our party to remain in control of our county government. And we doubt not that the coming election will show that this is their wish.

Each gentleman upon our ticket is worthy of the hearty support of every Democrat in the county, and will doubtless receive it, for no man who has ever called himself a Democrat, can do other than stand by his party and its candidates in this important election.

MAY ORGANIZE A BOWLING LEAGUE

To Embrace Counties Of Queen Anne's, Talbot, Kent and Caroline.

No movement recently, perhaps, will create general satisfaction among patrons of the big and little pins than that of the organization of a Four County League, such as is now being formulated at Centreville, Queen Anne's county, to embrace the towns of Easton, in Talbot county, Chestertown, in Kent county, Denton and Ridgely, in Caroline county, and Centreville and Stevensville, in Queen Anne's county. This will give the League, if such is formed, six towns within its range, all comparatively within easy traveling distance of each other.

For years the sport of bowling has been growing rapidly in popularity throughout the country, and nowhere is this very healthful exercise more evident than on our own alleys. Only a few years ago the sport was practically unknown, but now the patrons in this town alone number among the hundreds.

In view of the fact that bowling is so popular, naturally again comes the proposition of a League and such could undoubtedly be easily formed, provided the different towns would get together and arrange definite details in regard to its organization. By dint of very little labor and comparatively no expense an organization of this kind could be perfected and maintained, which would eventually create no small amount of friendly rivalry between the respective towns in this line of sport.

Arrangements have been completed with the owners of the alleys at Stevensville, Centreville, Chestertown, Ridgely and Denton, by a Centreville organizer, and if Easton comes to the fore, as is expected, with the proper support from patrons of the game, a League may be expected to materialize in the very near future.

Foley's ORINO Laxative

Is Pleasant and Effective
CURES
Constipation, Stomach and Liver Trouble.
by stimulating these organs and restoring their natural action.
Is best for women and children as ORINO does not gripe or nauseate.
