DEMOCRATIC Mass-Meeting

—AT—

CHESTERTOWN

—ON—

TUESDAY, OCTOBER 19, 1909,

STAM'S HALL,

AFTERNOON AND NIGHT

HON. AUSTIN L. CROTHERS,

HON. JOSHUA W. HERING,
Candidate for Comptroller;

U. S. SENATOR ISIDOR RAYNER,

JUDGE WINSTON,
Of North Carolina;

CONGRESSMAN J. H. COVINGTON,

Are expected to be present.

All white citizens who favor the franchise amendment or who desire to hear this vital issue of the Campaign of 1909 ably and eloquently discussed, are urged to attend these meetings.

A Good Band will furnish music at each one of these meetings.

LEWIN W. WICKES, J. C. REDMILE, J. W. IVENS, State Central Com.
CHAS. L. DODD, GEO. H. CANNAN, WM. B. USILTON, Jr., Campaign Committee.

THE total amount of taxes paid on by citizens of Kent on real and personalty is $8,784,481. Of this amount the colored class pays only on $269,831.

IT is reported that every white voter in one district of Kent county will support the Amendment. Why not *every* white voter in *every* district?

THE Republicans of Kent seem to get a great deal of encouragement from the Democratic opinion that no black lines shall be used. The Democrats have not used black lines for some years so that there is no disappointment here. The elections in Kent are free from fraud or unfairness.

THE votes that the good roads make in Maryland cannot be confined to this election, brother. They will be coming in for years—just as long as the good roads continue. And each successive *Democratic* legislature means *more good roads!* It is without end.

A VOTE for Harris and Willis, candidates for Legislature, means a vote for Senator Rayner. To return this able statesman it is necessary to elect a Democratic Legislature, therefore vote for Messrs. Harris and Willis.

THERE has been a good deal of talk about black lines on the Eastern Shore. Our Republican friends placed a black line across the Eastern Shore, when, after the agreement of both parties that all bribery should cease, and after the passage of the Corrupt Practices Act, they distributed throughout the shore a corruption fund of vast proportions, about $2,000 of this tainted money having been sent to one county alone and the local Republican Chairman having great difficulty, it is said, to hold the lid down and keep the funds from being gobbled by the politicians themselves. In another county a prominent Republican was arrested, admitted his guilt and paid his fine for violating this law.

WHY THE SUFFRAGE AMENDMENT SHOULD BE RATIFIED.

Because it *protects* absolutely white voters, native and foreign born, and *guarantees their right to vote.*

Because the exclusion of the ignorant and thriftless negro vote will make for better political conditions.

Because it will remove race prejudice from politics and enable the white voter to decide public questions solely on their merits.

Because it will relieve the southern counties of the chief obstacle to progress.

Because it will stimulate the negroes to thrift and education.

Because it will create a better feeling between the races, as restrictions on negro voting have done in the South.

Because it will cause the repeal of all complicated ballots.

Because it will, in some of the counties which are now afflicted with a predominating negro vote, exclude the ignorant and uneducated negro from participation in politics and put the management of local affairs and the levying of taxes in the hands of the white voters.

Because in 15 of the 23 counties of Maryland the great majority of the Republican party is negro, ignorant and mostly illiterate, and the possible ascendancy of a party so composed in local affairs is a constant menace to good government and the public peace.

DR. COOK says the country is suffering from Pearytonitis!

COUNTY GOVERNMENT.

It is with pride that we call the attention of voters of Kent county to the condition of affairs in this county.

Every office is filled by a Democrat and conducted in an honest, straightforward and business like manner.

The Democratic party has nominated the following gentlemen of veracity and honesty who will give to their constituents a clean administration, viz.:

For Comptroller:
JOSHUA W. HERRING,
of Carroll County.

For Clerk of the Circuit Court:
JAMES T. DIXON.

For Register of Wills:
JESSE R. COPPER.

For Treasurer:
WILLIAM J. TARBUTTON.

For Sheriff:
ANDREW MEDDERS.

For County Commissioners:
T. BENJAMIN CREW,
CHARLES D. WOOD.

For House of Delegates:
JAMES S. HARRIS,
HARRY C. WILLIS.

For Surveyor:
GILBERT B. TAYLOR.

Is there a man who will refuse to vote for these gentlemen? Then why not make it unanimous and guarantee a continuation of good government.

You must not forget that all this efficient service—splendid roads and unexcelled public schools, and an administration of justice that stands the equal of any that can be found in any State of the Union—has been secured through Democratic hands.

What must be the condition of that man's mind, in the face of this splendid achievement, who would ask for a change or be unwilling to sustain by his vote this administration.

The Democrats of Kent county should receive not only every Democratic vote, but many Republican votes for their entire ticket. A party that has achieved such splendid results as these is deserving of the confidence and support of the people, irrespective of party.

The Constitutional Amendment.

Under the law as it now is, every male citizen of 21 years of age or upward who has resided in the State one year and in the county, legislative or Congressional district six months, and is duly registered, is entitled to vote. All are entitled to register except such as have been convicted of a felony after they have reached the age of 21 or who have given or received a bribe. If the pending suffrage amendment is adopted all persons who are comprised in any one of the following classes will be entitled to register and vote:

First—Any person who on the first day of January, 1869, or prior thereto, was entitled to vote in any State of the Union.

Second—A male descendant of such last named person. This clause would, of course, include the descendants of all foreign-born persons who were naturalized before the first of January, 1869.

Third—A foreign-born citizen of the United States naturalized between the first day of January, 1869, and the date of the adoption of the amendment—that is, election day this next November.

Fourth—A male descendant of such last mentioned person.

Fifth—A person who, in the presence of the officers of registration, makes application in writing and answer certain prescribed questions.

Sixth—A person, or the husband of a person, who at the time of registration is bona fide owner of property to the value of $500 and has owned and paid taxes on that amount for two years next preceding.

WHEAT was quoted at $1.17 yesterday.
