SATURDAY, OCTOBER 23, 1909.

A VOTE against Harris and Willis is a vote against Senator Isador Rayner.

STAM'S HALL was the proper place to hold the Anti-Saloon League meeting. The churches are not intended for political rostrums nor entertainment halls.

A VOTE for the Republican candidates for the Legislature is a vote for a Republican U. S. Senator in place of Hon. Isador Rayner.

THE vacancy in the Treasurer's office will be filled by the Governor. There is a disposition on the part of the organization in the party to favor Mrs. Gale in their recommendation.

W. J. TABBUTTON, candidate for treasurer, and Jesse H. Copper, candidate for register of wills, are two of Kent's representative farmers, each of whom merit your support. We can assure each voter that the business of these offices will be carefully and promptly looked after.

MESSRS. WOOD and CREW, the Democratic candidates for county commissioners, deserve the vote of every Democrat in Kent. They are fully capable of looking after the interests of the taxpayers and will serve the public faithfully.

THE passage of the Corrupt Practices Act retired Hon. Wm. H. Jackson from politics. He knew he could not get anywhere without money. It was the best measure ever enacted in this State and its the duty of all citizens to uphold the law.

ONE of the anti-saloon league speakers tried to prove his Democracy by saying that he was born a Democrat, etc. So was John D. Urie, Esq., but he has strayed far from the fold, and Mr. Anderson by voting against William J. Bryan, that great apostle of temperance and Christian character, substantiated the NEWS charge. Mr. Arters has not attempted to prove his Democracy.

VOTE FOR DEMOCRATS.

There is not a man in Maryland who would more gladly welcome the abandonment of the saloon than the KENT NEWS. But we don't think this is the issue in this county at this time. Thank God the curse has been put under feet here. Nor do we think that the Republicans will do any more for the temperance cause than the Democrats. Therefore we advise every white man to vote for Harris, Willis and all the other candidates on the Democratic ticket. Why?

Because they will represent the white men of Kent.

Because they will help Gov. Crothers in his excellent reforms.

Because they will vote to return Hon. Isidor Rayner to the U. S. Senate.

Because 1500 negroes are against them.

UNJUSTIFIED ATTACK.

The attack on Mr. Harry C. Willis, one of the candidates on the Democratic ticket for Legislature, does him a great injustice. Mr. Willis says the conditions surrounding him at Annapolis justified his position and vote last term but that if his people in Kent want him to vote for the Anti-Saloon League bill he will be only too glad to do so. He says he has never failed to give to any county or city his vote on any question when that county or city's representatives ask for the measure or measures. In doing this he expects the other part of the State to do the same by him. As to the charge of signing a letter promising to support a certain bill, this is true and it is untrue. He did promise to vote to give to the people the right to vote on the liquor question and is willing now to vote for such a bill, but when *the* Anti-Saloon bill came up it was of such a character that he could not conscientiously vote for it.

Mr. Willis is a gentleman of high character and of more than ordinary intelligence and we can assure the voters of Kent that they can rely on him to vote *right* not only on the lacal option question but also on all the other important matters which are vital to the interests of the white people of Kent.

THE Chestertown Bank of Maryland has been requested by the Island City National Bank, of Key West, Florida, to receive and forward contributions for the sufferers from the terrible hurricane that devastated Key West on October 11th, when 3000 persons were made homeless. The need for action is imperative.

JAMES T. DIXON, the Democratic candidate for clerk, proves his fitness for the office he now holds and to which he aspires. He is worthy a unanimous election because of his courteous treatment of every man who has business with the Court and by his splendid management of the office. Vote for Dixon.

PROHIBITIONISTS AND THE AMENDMENT.

If the statement made by Wm. H. Anderson at the meeting Monday night in Chestertown has any weight then every temperance Republican and Prohibitionist as well as Democrats will surely vote for the Amendment.

He said that the saloon men in Baltimore are opposing the Amendment *because it will take away the votes of the negro whom they depend on to vote for license* when the question comes to a vote! Could there be any stronger reason why every temperance man should vote for the Amendment?

A ROUSING MEETING

Stam's Hall Packed With Fine Audiences Twice Tuesday — Eloquent Speeches by Sterling Democrats—Mr. Harry Griffith Presides.

Stam's Hall was crowded with two intelligent and refined audiences on Tuesday the occasion of the great Democratic mass meeting. Mr. Harry Griffith, that loyal Democrat from the Gibralter of the party presided with dignity and ability.

Dr. J. W. Hering was the first speaker and in his impressive charactertic manner sent home some telling facts.

Judge F. D. Winston, of North Carolina, captured his audience at the start and drove home facts with jolly anecdotes from his Southern home. It was a rare treat to hear the splendid speaker.

The first speaker at night was W. Tricket Giles, Esq., who gave a clear, forcible and canvincing speech.

Hon. Harry Covington as usual made a good speech and though following the learned United States Senator held his audience for a half hour.

Senator Rayner made a strong argument for the suffrage amendment and was frequently interrupted by applause. His was an eloquent and grand speech.

All these addresses were good but lack of space prevents the NEWS from publishing them.

The Greensboro Band furnished splendid music and made a fine showing especially at night with lamps on caps as they paraded Chestertown's wide boulevard.

ANTI-SALOON LEAGUE MEETING.

Mr. W H. Anderson, the representative of the Anti-Saloon League of Maryland, spoke before an intelligent audience in Stam's Hall Monday night. He presented the anti-saloon cause in a most dispassionate and ornate address, and from his view point made a forcible address.

His text seemed to be divided into three parts, viz: the NEWS clipping, Mr. Willis and the saloon. As to the latter, every temperance man in his audience and in the county will agree with him that *it is an evil and should be voted out of existence.* He condemned Mr. Willis, as will be seen elsewhere in the NEWS, and *admitted that the League had made a combination with the Republicans* to support Mr. A. M. Kendall, of which we have something to say in another column.

The clipping which seemed to give the speaker much concern, follows:

"The Democratic party and the citizens of Kent are certainly fortunate in having two such men as James S. Harris and Harry C. Willis as candidates for the Legislature. They are intelligent citizens and fully capable of acting with wisdom and good judgment on all questions which shall come before the Legislature. On the temperance question they are especially sound and merit the votes of every voter who loves his county and home and who believes in local option. Republican speakers will try to make the public believe otherwise. Messrs. Harris and Willis are known too well by their home folks to believe what foreign Republican speakers say derogatory of them."

RUN DOWN BY TAXICAB

Mr. J. Thomas Pennington, of Galena, In Baltimore City Hospital With Broken Ribs and Leg.

Mr. J. Thomas Pennington, 68 years old, one of the most prominent citizens of Galena, Kent county, is at Mercy Hospital, Baltimore, with a broken leg and several broken ribs, the result of being run down by a taxicab at Charles and Oliver streets, Tuesday afternoon.

Mr. Pennington says he was about to board a southbound St. Paul street car, when the taxicab struck him, throwing him into the gutter. He was taken to the hospital in the taxicab by the driver, George Le Martee, who was afterward arrested on the charge of assaulting Mr. Pennington.

Le Martee was released by Justice Grannan, at the Central Police Station on $500 bail for a further hearing, November 22. Drs. Chambers and Hines attended the injured citizen. Marion deK. Smith, Esq., visited him yesterday.

A telephone message from Dr Hines yesterday afternoon says Mr. Pennington stood operation well and they hope to save his leg.
