If Nervous and Run Down

simply improve your circulation. Remove the waste matter that clogs the blood by taking Ramon's Pills—then tone the nervous system with the Tonic Pellets. All in one box for 25 cts and money back if not satisfied.

C. H. Redden, Druggist, Denton.

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it.

In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

Send for free sample.
