Dispersed Serenaders.—Rev. Dr. W. N. Sherwood, well-known in Chestertown and stationed at present in Clayton, married a couple a few days ago who dealt pretty severely with serenaders. The dispatch says: "That the day of the callithump and the noisy horse-fiddler serenaders is over was evidenced last Monday evening when a band of noisy well-wishers and serenaders who surrounded the home of John M. Mitchell, Jr., one of Delaware's new November bridegrooms, the young benedict seized his rifle and drove the visitors from his premises. When they moved a little slowly, a crack or two from the gun sent them scurrying like reindeers. Mr. Mitchell married Miss Myrtle Shores at the home of the bridegroom's father, John M. Mitchell, near Hartley.

I was treated by four doctors and took other kidney remedies but grew worse, and was unable to do my housework, and the doctor told me I only could live from two to six months. I am now so much better that I do all of my own work, and I shall be very glad to tell any one afflicted with kidney or bladder trouble the good results I received from taking Foley's Kidney Pills." You Don't HAVE to be a Stoker

Heaving coal into a furnace and shoveling ashes out is hard work. Besides, coal costs money. If you go to your heater more than three times in twenty-four hours, you are wasting time and labor, and *throwing away coal.* And the chances are that your house is not comfortable all through. You should install the

MODEL
Heating System

MODEL BOILER

It almost takes care of itself. Burns every pound of coal *completely*, getting every bit of heat out of it. Distributes the heat uniformly, by steam or hot water, to every radiator in the house. Keeps all rooms warm and cozy whether on the "windy side" or "over the heater." Makes no dust, and fewer ashes than a hot air furnace, because it *burns less coal*, and burns it thoroughly. Thousands are in use, saving from one-third to one-half the former consumption of coal. Quite a desirable saving.

THE LEDOM RANGE — The Ledom is as good a kitchen range as the Model is a heating system—which is saying a great deal. Its grate alone saves half of the usual coal consumption, and makes it the ablest, quickest, most convenient range ever built. Don't fail to see it.

WASHINGTON A VICTOR.

The Chestertown Boys Play Rings Around Delaware College.

In a scrappy game which took place on the Washington College campus Saturday morning Delaware College, of Newark, Del., was defeated by Washington 34 to 0. Some feeling was manifested between the two teams, which resulted in three men being disqualified for rough play.

Delaware won the toss and elected to receive the ball. She was soon held for downs, and then Washington began to score. From the very first it was clearly seen that Delaware was outclassed. Washington smashed her line, circled her ends and gained yard after yard by forward passes. Not once in the two 25-minute halves was the Washington goal in danger, and not more than four times during the game did Delaware keep the ball on downs.

Jump, as in the Gallaudet game, was the star. He made three touchdowns and was everywhere, tackling fiercely, and following the ball with wonderful alterness.

Johnson was a power at fullback, and Porter who succeeded him, did nearly as well. Meegan and Noonan pulled off several runs of from 25 to 40 yards. All the members of the team were in the game from start to finish and keep up the reputation they have made this year as one of the finest teams in the State for their weight.

For Delaware Haley started out well, but had to retire, and Bice, who took his place, was not such a ground gainer. The visitors, with about four minutes to play, seemed to brace up and made substantial gains through the line, but Washington soon stiffened and the game was won. This is the first time in the history of football between these two institutions that Washington has been returned the victor. The lineup:

Washington	*Position*	*Delaware*
Crouch	left end	Rochwell (capt.)
Gibson	left tackle	Williams
Jones	left guard	Corkran
Gillmore	center	Attix. R. Taylor
Greenlee	right guard	Dunbar
Maddox, Johnson	right tackle	Todd
Jump	right end	Kidd
Meegan	quarterback	Haley, Bice
Noonan	left halfback	Taylor
Turner (capt.)	right halfback	Cann
Johnson, Porter	full back	Corswell

Touchdowns—Jump (3), Porter (2), Turner. Goals kicked—Noonan (4). Field judge—Mr. Massey, M. A. C. Head linesman—C. W. Hall. Referee—Mr. Vickers, Delaware College. Umpire—Mr. Beck, University of Maryland. Linesmen—Cimineri, W. C.; Marshall, Delaware. Timers—Horn, Delaware; Clarke, Washington. Time of halves—25 minutes.

Baltimore Delegation Divided.

City Councilman Albert M. Sproesser, of the Twenty-second ward, is elected to the State Senate in the Fourth district. The Republicans also elect their six candidates for the House of Delegates from this district.

In the First district the unofficial returns show that Messrs. Coyne and McQuade, Dems., are elected to the House of Delegates, with Messrs. Beachan, Janetzke, Mells and Main, Reps. Mr. McQuade was a member of the last House and Messrs. Beacham and Mells were members of the House two years ago. Mr. Thornton Rollins ran considerably behind his ticket.

In the Second district the Democrats have elected their entire legislative ticket.

The Third district shows that the Democrats have elected five members and the Republicans one. The Democratic members are Dr. Ashby, who leads the ticket, and Messrs. Marriott and Dawkins, who have served several terms in the House of Delegates; Mr. Grant, who was a member of the House four years ago, and Mr. Hogan. Mr. Eldridge is the successful Republican. Both Messrs. Dawkins and Eldridge live in the Sixteenth ward.

Mr. Dawkins was opposed by the Antisaloon League, while the league advocated the election of Mr. Eldridge, who was the only city candidate for the House who declared in favor of the Antisaloon bill. The election of Mr. Eldridge the Democrats say, is due to the fact that their sixth nomizee, Mr. James McC. Trippe, of the Fourteenth ward, was designated on the ballot as a "conservative Democrat." Judge Lehmayer was nominated by the Democrats for the House of Delegates, but after he was named he was appointed on the bench by Governor Crothers and then resigned from the legislative ticket.

As the Democrats made their legislative nominations by the Crawford county system it was held that the vacancy had to be filled by another primary. In order to avoid this Mr. Trippe was nominated as a conservative Democrat, although he was the regular nominee of his party. This designation, together with his location on the ballot, is believed to be responsible for his defeat. Hundreds of Democrats in the district did not vote for him.
