WELL PAINTED, WELL DRESSED

There is a satisfaction about a well-painted house similar to what one feels in wearing good clothes. It is like feeling at home in good company.

Quality does it. The best paint materials, properly applied, give the house a distinction that it lacked before. The house is well dressed.

Nor is the distinction temporary. A paint coat of

LEWIS WHITE LEAD

and pure linseed oil looks well after years of wear. The quality lasts. It serves both for looks and protection.

We carry the pure white lead guaranteed by the

DUTCH BOY PAINTER TRADE MARK

besides a full stock of oils, turpentines, varnishes, colors and brushes. Come and see us. It pays to buy the best.

Automobilists Take Notice.—The commissioners of Kent and Queen Annes counties have posted large notices at either end of Chester bridge, warning automobilists not to cross the bridge faster than four miles an hour.

Boy Painfully Injured.—A Boston terrier, belonging to Master Jack Watson, son of Mr. and Mrs. Graham Watson, nearly tore an ear off the son of Mr. and Mrs. Madison Brown, last Saturday afternoon. The child was playing with the dog when the accident happened. The wound was dressed by Dr. J. M. Corkran. While the wound is quite painful it is not expected to prove serious.

Tied Up.—The power boat Galvota, of the Chesapeake and Transportation Company, with headquarters in Baltimore, which a few months ago started a route between Baltimore and Chestertown touching a number of points between the above named places, has been tied up in Baltimore for a couple of weeks. It is not thought the boat will again be put on the route. Capt. Decker says he is looking for a larger boat something about the size of the Ford.

Capt. Stevens' Trial Postponed.—The trial of Capt. Orviller Stevens, of Rock Hall, owner of the schooner Rebecca, which was to have taken place last week at Collector Stone's office, Customhouse, has been indefinitely postponed. A message was received from Captain Stevens which stated that he was sick and unable to come to Baltimore. Mr. Thalheimer, of the Marine Department, who was away on leave and who was familiar with the case, could not be seen and the case, therefore, will come up later. The charge upon which Stevens was to have been tried was for illegal obliteration of the name of his vessel in violation of the government laws.

The Board of Bishops of the Methodist Episcopal Church, in session at Binghampton, N. Y., have assigned Bishop John W. Hamilton, of Boston, to preside over the Wilmington M. E. Conference, which will meet in Salisbury next March. He has never presided over the Wilmington Conference.

LADIES' IMPROVEMENT SOCIETY

A Visitor To Chestertown Becomes Interested And Sends $300 As Result of Entertainment.

Chestertown is certainly proud of its Ladies' Improvement Society and they have a right to be, but we are prouder of what they have done, are doing and are going to do.

A visit to the old marsh at foot of Cross street will reveal to the visitor what can be done when a woman or a band of women set their hearts on a thing. This marsh is being turned into a veritable plaza and when completed will be one of the beauty spots of Chestertown.

A pleasing incident in connection with the above improvement is the interest manifested in it by Miss Anna Barroll, daughter of J. Leeds Barroll, Esq., of Philadelphia, and a niece of Mrs. H. H. Barroll, president of the Association. This young lady visited Chestertown the past Summer, appreciated the work being done, went home and held a Society Vaudeville at Farragut Casino and sent the proceeds amounting to $300 for this work.

Miss Anna should be made a member of the Association and given a vote of thanks by the town. The NEWS will take it upon themselves to extend to her the sincere appreciation of the citizens generally for her interest and contribution.
