Mr. E. A. Kelley, Belvidere, writes us; "I am an ex-engineer with 22 years active service to my credit. About three years ago my kidneys were affected so that I had to give up my engine. First I was troubled with severe, aching pain over the hips. Then followed inflamation of the bladder, and specks appeared before my eyes. A sample of Foley's Kidney Pills that I tried, so benefited me that I bought more I continued to take them until now I can safely testify they have made me a sound and well man." PACKERS PREPARING FOR TOMATO SEASON.

Signing Contracts With The Farmers on Eastern Shore For Crops.

Preparations for the packing season in the counties of the Central Eastern Shore are being made for the season of 1910, and the signing of contracts by farmers has begun. These contracts bind the farmer to grow a specified number of acres of tomatoes to be delivered at the canning house of the packer with whom he decides to do business, and not to grow tomatoes for any other person or persons. By this means the packers are assured of the product of a certain acreage, and protected from market rises.

Last year $8 a ton was paid by the Caroline packers, but as the canned goods have moved slowly and at low prices, the price to be paid this year for tomatoes has been reduced by many packers to $7 a ton. It is reported that the Queen Anne's packers will pay $8 a ton, and at Cambridge some contracts are being signed at $9, which is regarded by farmers as a most excellent price.

A few years ago $5 and $6 a ton was frequently as much as the canners would pay, but difficulties arose through growers breaking contracts.

Kent tomato growers have not yet made any contracts, but the subject is being taksn up by the farmers and those interested.

LEGISLATIVE NEWS.

The Supervisors of Election for Kent Named—C. S. Smith Resigns and A. Parks Rasin Appointed.

Governor Crothers announced a number of appointments on Monday night among them being the supervisors of elections for Kent county, namely, Jesse H. Usilton, Harry C. Cacy, Democrats; A. Parks Rasin, Republican, vice C. S. Smith, resigned.

Mr. Harry C. Willis, of Kent, was named a director of the Female House of Refuge.

A suffrage amendment was introduced in the House, Friday of last week by Delegate Ford who said: "I wish to say that the bill is exactly the same as last suffrage amendment with the omission of the educational test and the provision that a man's wife may hold the property required."

Mr. Coghlan has prepared statewide dog bill that provides a tax of $2 for each male dog, a state dog commissioner and an assistant in each county. If taxes are not paid, dogs shall be killed and any person who permits a strange dog to loiter about his premises is subject to a fine of $5 for each dog.

Senator Harper introduced a bill, Friday of last week to provide for the appointments of grade supervisors for public schools of the state. The appointments are to be made by the boards of school commissioners at their discretion, one supervisor being allowed each county, but where the number of teachers exceeds 150, one additional 100. The supervisors must have had five years' experience in elementary grade work.

A bill providing for a reassessment and revaluation of property in the counties has been prepared. The bill divides the counties into districts, there being one to eight districts in each county. The governor is to appoint two assessors at large for each district, each to receive $5 a day, while the county commissioners are to appoint an assessor for each election district who receive $5 a day and $2 additional a day for serving as clerks to the assessors. The assessment is to begin the first Tuesday in May and completed in 90 days. Through the adoption of this bill it is believed the taxable basis of the state will be increased many millions of dollars.
