ROCK HALL NOTES.

The rain was a long time getting here but it made good when it got here All nature shows its appreciation and none grumbled because of being kept at home all day Sunday.

Capt. C. E. Davis has purchased a fine looking schooner and has added her to Rock Hall's splendid fleet of vessels for use in his coal trade and other freighting. Her name is Southern City.

Mr. William Harrison while engaged in his oystering work a few days ago was run down by another boat and had his boat so badly damaged that he is knocked out of the remaining days of the oyster season. This is the second time his boat has been run into and damaged this season, and so far has received no redress, though the fault was not his own in either case.

Mr. M. L. Maslin has set out young locusts trees along the road line of his farm with a view of having shade for stock and later on a good supply of posts for fencing.

Mr. W. T. Harrison is attending the State Convention of Odd Fellows as a delegate from the local Lodge at this place.

One of our meat and provision merchants has closed out the business. He claims to have not made a dollar clear of a bare living since January 1st. He sold forty-two dollars worth on Saturday and only netted two dollars out of which himself and team are to be cared for. The high cost of meat and his unwillingness to burden his customers is the cause of his stopping short.

The big frost of last Thursday morning created a big scare among the fruit growers and truckers here but it is thought little damage was done.

The Government buoy tender has been in our waters this week replacing the buoys with freshly painted ones.

The blustry weather of this week has greatly hampered the oystermen in their rounding out the last stretch of the season.

The citizens of this section are much elated at the distinction accorded Judge Pearce and Kent county by Gov. Crothers in his appointment of the Judge as a member of the Public Utilities Commission.

Colored People Injured.—Two women and four children were badly injured and a score of others slightly hurt in Charles Wesley Methodist Episcopal Church (colored), Centreville, Thursday, when the flooring collasped in the centre, precipating the entire congregation into the opening. Two women were seriously injured, one, Lottie Rozier, suffered a fractured thigh and Bessie Wilson was badly injured about the head, neck and shoulders.

The brag Double Creek baseball team came to Millington on Saturday last to do our High School boys up in fine style. It is true that our boys were outsized but they were not outclassed, and the brag Double Creek team was sadly defeated by a score of 8 to 6 in a well-plaved nine-inning game. Logan, the famous Queen Anne's pitcher, was in the box for the Double Creek team while Beck did the twirling for the High School boys. Nine hits were made on Logan and he proved an easy mark for our boys. Beck had 12 strike-outs to his credit while Logan had but six.

Married on a Train.—While their train was running 40 miles hour Tuesday, Miss Laura Merle Tice and Mr. Raymond Funkhouse, both of Big Pool, were married in the observation car by Rev. L. A. Miller, of the Evangelical Church. The couple, who had boarded the Western Maryland train at Big Pool, continued to Baltimore, whence they will go to Chestertown to spend their honeymoon. The bridegroom is a son of Norman E. Funkhouse, a former member of the legislature.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, *free*. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing *only*, and he will send you a *free* copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.
