DEDICATION.

The New School House at Kennedyville Dedicated With Interesting Ceremonies.

Saturday, Nov. 23rd, was the date set for the dedication of Kennedyville school building. The day was fine, the farmers were busy, yet a large audience was present in the afternoon when the meeting was called to order by Mr. Geo. R. Rasin, the always ready man and one of the school trustees. The exercises began with a chorus by the school. Prayer, Rev. Peter Shauer; welcome chorus, the school; address, Wm. F. Russell, Jr., Esq.; presentation of the keys, Mr. John Medders, chairman of the building commission; acceptance and remarks, Mr. J. L. Smyth, county superintendent; chorus, America; address, Mr. Wm. G. Smyth, master of Kent county Grange; chorus, town songs, by the school; dedicatory address, Hon. Wm. T. Warbutton; chorus, All Hail Fair America; benediction, Rev. P. B. Stauffer; inspection of school building. Kennenyville has needed a school building for many years and now the community is thankful for every move taken for the building. This includes the gentlemen who so kindly consented to come to our town and make most eloquent addresses. Mr. Russell was commended on all sides, Professor Smyth was perfectly at home and our people were glad indeed to see and hear him again after having such a fight for his life just about a year ago. Mr. Wm. G. Smyth may have done better sometime, somewhere, but the writer doubts it. Hon. Mr. Warburton was the orator of the day and he very favorably impressed the audience, they said he was fine. The two ministers of our community were and have been lending a strong helping hand in the movement. Mr. John Medders, the speaker for the building commission, the man who talked school building, who dreamed school building for years past, was very happy when he thanked the different ones who had presented the school building with several mirrors and other useful things, calling them by name as he thanked them. He also spoke of the kindness of Mrs. Lockwood when referring to the land, and of Mr. Harry J. Hill, who conceived the plan for the stairway, and Mr. Wm. M. Clendaniel for the cornerstone. Now we come to the last, but not least, the children did fine. The audience was all attention when the children marched in the assembly room with perfect step to the music and their sweet voices sounding clear with cheerful song, but this is not unusual for these children in their several entertainments given in the past with Miss Mettie Loud and Miss Hannah Bell, teachers, and Miss Lulu VanDyke as musical director and teacher, have always drawn full houses. The program was followed by a sumptuous supper in the basement of the building. Thus ended a happy and eventful day for our community.
