## Dr. J. W. Chambers Dead.

Dr. John W. Chambers, professor of surgery at the College of Physicians and Surgeons and the University of Maryland, and a member of the faculty of the Mercy Hospital and the Hebrew Hospital and Asylum, died about 8 o'clock Sunday while on a visit at the home of Dr. Spencer Free, an intimate friend, at Du Bois, Pa. Death was due, it is believed, to apoplexy. He has been in failing health for about three months.

Dr. Chambers was born September 9, 1852, in Kent county, Delaware, and was the son of Thomas J. Chambers, who later moved to Templeville, Queen Anne's county, Md. He came to Baltimore when a young man and studied medicine at the College of Physicians and Surgeons, graduating in 1879. He married Miss Cora Ferguson, daughter of Colin Ferguson, of Dover, Del., and Centreville, Md. Besides Mrs. Chambers, he is survived by his son, Dr. Thomas R. Chambers; three daughters, Mrs. L. Alan Dill and Misses Cora and Agnes L. Chambers; a brother James Chambers, of Marshall, Mo., and a sister, Miss Jane Chambers, who made her home with the physician and surgeon. Dr. Chambers was an intimate friend of the late Dr. W. Frank Hines, and he and members of his family had frequently visited the latters family here. Funeral services were held from his late home 1810 Franklin street, Baltimore, on Tuesday afternoon, conducted by Rev. S. B. Tredway, an old personal friend, and Rev. Dr. Lincoln A. Ferris pastor of Mount Vernon Place M. E. Church. Interment was made in Drueid Ridge Cemetery.

Cross Street, near Depot,
Chestertown, - Maryland.

CORN SHELLERS.

Our No. 7½ Sheller with roller bearings is the easiest running sheller on the market, and we are selling them on account of an early buy at only a little advance over last year's prices.

We have a good two-hole sheller with fly wheel starter and belt wheel, can be used for hand or power at only $14. It is a good sheller, and is a bargain at the low price we make on it.

3 H. P. "I. H. C." ENGINES

As you are aware, everything in iron and steel is advancing rapidly, causing all manufacturers to advance prices We made a contract some time ago for a few of these engines, and we are offering them on the basis of the old prices. The 3-Horse Power International is so well-known that it needs no recommendation from us. It has made its own reputation by its good works. We would advise an early action on these as there are only a few of them to be had at the price we offer them.

ROOFING

We have a liberal stock of Corrugated Iron Roofing and the price is probably lower than you would think.

Rubber Roofing, too, is here at most any price you may wish, from 85c roll up, according to weight and quality.

Yours to serve,
Davis & Satterfield,
