BASE BALL NOTES.

Washington College Defeated by Catholic University.

The Catholic University still held on to its winning streak and gathered in its tenth straight victory Saturday at Chestertown by annexing the scalp of Mike Thompson's Washington College nine in a decisive victory by 6 to 1.

The game was one of the snappiest and cleanest fielding exhibitions seen here this season, the university infielders working in big-league fashion. Widmayer, on third, pulled off some clever plays, and the throwing of McGeady from the outfield was nothing short of wonderful.

Both pitchers were working in mid-season form, Green extricating himself from some threatening situations, and Metcalf for the locals, being particularly steady. He easily pitched the best ball of his career, and succeeded in holding the visitors down to seven bingles, making eleven of them jar the other, and giving only one man a pass. Green, who opposed Metcalf on the mound, did much to win his own game outside of serving them over, his cleverness in feigning to throw the ball with men on bases being the main cause of many near-runs being nipped in the bud. He held the lads from the heart of Maryland well in hand, with only four hits and no runs until the ninth, when they pumpled him for three timely swats and garlanded a run off his delivery.

Get Early Lead.

As usual the Catholic University started the moving pictures in the opening session, and wound up the film with three scenes of runs. Deveries got an opener by four-flushing when he went to the first quarter on wide ones, and landed on the keystone sack after they had failed to catch Widmayer when he laid down a neatly placed ount.

Green fouled out to the catcher. Devries slashed the globule to the hay in back of the middle station and Johnnie Widmayer drew one in the short ribs. Tobin made a two-bagger and scored Devries. Hessler flied out, McDonnell ending the session by following suit. With two men gone in the seventh, Tobin poled one to the green woods, scoring Widmayer, and later scoring himself when Washington College got to throwing the pill around the infield.

In the last half of the ninth Merritt Brown made a two-bagger and Washington College garlanded their only run of the game. Green settled down and the next two men were easy outs. The score:

Washington	0	0	0	0	0	0	0	0	1	—1
Catholic University	3	0	0	0	1	0	2	0	0	—6

Runs—Turner, Devries (2), Widmayer, (2), Tobin and Hessler. Earned runs—Catholic, 3. Two base hits—Brown and Tobin (2). Sacrifice hits—McDonnell and Wallace. Stolen bases—Turner and Tobin. Double plays—McGeady to Hessler; Clancy to Hessler. First base on balls Off Metcalfe, 1. Hit by pitcher—By Metcalfe 1, by Green, 1. Struck out—By Metcalfe, 11; by Green, 4. Passed ball—McDonnell. Left on bases—Washington, 8; Catholic, 4. First base on errors—Washington, 1; Catholic, 1. Umpire—Mr. McAtee. Time of game—1 hour and 45 minutes.

Double Creek went to Barclay last Saturday and defeated their ball team by a score of 6 to 4. It surely did hurt the Barclay fans to see their team loose. Logan pitched a fine game for D. C.

Double Creek expects to play Massey's at Double Creek today, and Church Hill at Church Hill May 7th.

Last Saturday the Millington High School met the Church Hill boys on their diamond in a hard-fought ten-inning game. Neither side scored with the first chance at the bat but when Millington came in for the second trial Jeter made a run and from then on our boys held the decided advantage until the ninth inning when one of those unfortunate incidents occurred which keep the score from showing which is the stronger team; it was only a case of the umpire helping to play the game.

To all those who were among the spectators it was very evident that the Millington team put up a much better game than the Church Hill boys. They not only showed better form and made less errors in the field but also scored many more hits while at the bat. The batteries consisted of Beck and Tonkin, for Millington; Wallace and Clark, for Church Hill.

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.
