An Appeal To All Patriotic Citizens of Kent County

A public meeting will be held at the court house in Chestertown on Monday afternoon, April 2nd, 1917, at 2 o'clock to urge the prompt passage by Congress of a bill for universal military training and service in time of war.

The safety of the country demands this measure, and it is hoped that every lover of his country will respond to the demand.

By order of the County Census Board appointed by Governor Harrington.

WM. W. BECK,
HOPE H. BARROLL,
JOHN D. URIE,
CURTIS E. CRANE,
JOHN C. DAVIS.

The undersigned committee, appointed to secure the names of all citizens between the ages of 18 and 45, in accordance with the call made by the Governor for an enrollment of such citizens, appeals for volunteers to help them in this work.

There is no fund out of which those who render this service can be paid. It will be a voluntary yet patriotic duty for each citizen in the county to give this committee all information in his power.

We especially appeal to all teachers and school trustees, in Kent, white and colored, to give us the list of names in each school district. If desired all information will be held in strict confidence. We suggest that each citizen regard himself as a member of our committee and aid us in this work.

All replies may be addressed to the chairman, but those who desire to do so may write to any individual member of the committee, and such letters will be confidential.

WM. W. BECK, Chair.;
HOPE H. BARROLL,
JOHN D. URIE,
CURTIS E. CRANE,
JOHN C. DAVIS,
Committee for Kent County, designated by the Governor.

TO THE FARMERS, TOMATO GROWERS AND PUBLIC.
Mr. Wright Dill has a letter that he is circulating around the county, told me that it was sent to him by the Gibbs Preserving Company or their agent that he refuses to let me see. That Mr. E. A. Corey has a copy of same and he also refuses to let me see the letter. That I, W. H. Cooper, never went or wrote to J. Langrell & Bro. that I could contract tomatoes for them at twenty or twenty-five cents per basket. I will say that this is not true. That I never made any such statement to any packer and that I never made a grower any price. I never was instructed by my packer to offer twenty-five (25) cents and have never made any price to the growers. I have told the packer that the growers held for twenty-five (25) cents per basket. I can and will prove the same that that letter is unjust and not true.
