Just Government League.

Quite an interesting meeting of the Just Government League of Kent county was held on Tuesday evening at the home of Mrs. Lewis H. Wood, on Water street.

Miss Lucy Branham, State Organizer, was present and told of plans for the quarterly convention of the State Just Government League, which will take place on the Eastern Shore. The immediate work to be done by the League, she says, is the securing of the passage of the Partial Suffrage Bill at the special session of the Maryland Legislature, which bill includes Presidential, Congressional, Municipal and Primary Suffrage. This partial suffrage can be granted by direct vote of the Legislature, without referring it to the voters for ratification.

President Wilson said in his recent speech before Congress: "We shall fight for the things which we have always nearest our hearts—for Democracy, for the right of those who submit to authority to have a voice in their own governments." In a letter to Mrs. Donald R. Hooker, President of the Just Government League of Maryland, Mr. Wilson says that "he hopes with all his heart that the Maryland Suffrage Bill will pass." On March 3rd he sent a telegram to the Senate of Tennessee urging them to reconsider their vote upon the suffrage bill, which had been rejected, with this explanation: "Our party is so distinctly pledged to Woman Suffrage that it seems to me the moral obligation is complete." Because of this fact about 40 Maryland women visited Washington last week petitioning by resolutions that the President use his influence with the Maryland Legislature at its special session in May.

Among the things accomplished by the Kent branch of the J. G. L. during the past week was the securing of the passage of resolutions by the Rock Hall Grange, by the Kent Pomona Grange, and by the Chestertown W. C. T. U., endorsing the suffrage bill to be presented at the special session of the Maryland Legislature. These resolutions will be sent to the Governor and the Kent delegates.

The following officers were elected:

President—Mrs. Lewis H. Wood.
Vice-President—Mrs Herbert E. Perkins.
Cor. Secretary—Mrs. Fred. G. Usilton.
Rec. Secretary—Miss Louisa Urie.
Treasurer—Mrs. C. N. Satterfield.

Committees appointed were as follows:

Literature and Membership—Miss Ethel Price.
Legislature—Mrs. P. A. M. Brooks and Mrs. Lewis H. Wood.
Publicity—Mrs. D. B. Ford and Mrs. W. Frank Jarrell.

It was decided that regular meetings should be held on the first Tuesday evening of each month, the June meeting to be held at the home of Mrs. Herbert E. Perkins.

HURRAH! RINGLIRG DAY ALMOST HERE.

Dig Circus and Great Spectacle Occupy Five Trains Crammed With Wonders.

The big event for which the youngsters and grownups have been impatiently waiting is drawning near, for on Wednesday and Thursday, May 16 and 17, Ringling Brothers' circus is to exhibit afternoon and night in Baltimore. Expectancy never ran so high before and it is likely that this district will send a large delegation to feed the elephants. Unusual interest centers around the gigantic spectacle, "Cinderella," with which the famous showmen are this season opening their wonderful main tent program "Cinderella" is probably the best loved of all fairy tales and to see it produced with more than 1000 persons, hundreds of dancing girls and glorious pageants, indeed gives promise of making "childoohd's golden dreams come true." In the same great tent, will come the marvelous circus numbers in which 400 men and women performers, scores of trained animals and a galaxy of special features are introduced. The majority of the acts are entirely new to America, the Ringling Bros. having secured the pick of all European performers who have been obliged to seek engagements in the country. The all-new street parade will take place show day morning. The circus will be in Wilmington, Friday, May 18th.
