Local Notes.

Married.—A quiet and pretty marriage took place Tuesday evening, Sept. 20th, 1910, at 8 o'clock at the Methodist Protestant parsonage near Rock Hall, Md. The happy couple were Mr. Riley Frazier of Piney Neck, and Miss Leaf Beck, of Skinner's Neck. The ceremony was performed by Rev. Alvin B. Dupuy, pastor of Wesley Chapel.

Mules Wanted.—Mules and donkeys are in demand in South Africa, according to Consul Foster at Cape Town. This is caused by the spread of "East Coast" fever among cattle, killing many oxen. Mules from Missouri are prefered. As much as $600 a pair can be obtained, he adds, for large high-grade mules suitable for city work, while those for farm and country transportation will bring from $100 to $200 apiece.

New Wharf.—The examiners appointed to ascertain the wisdom of laying down a new road near Worton Manor Beach for the purpose of affording farmers better shipping facilities made their report Tuesday to the County Commissioners. A majority favered the improvement which will cost the county about $200. The report of examiners are usually accepted and adopted.

Collision.—A collision between the powerboat Thomas F. Jubb and a bugeye occurred on Wednesday evening near Seven-Foot Knoll Lighthouse. A part of the woodwork on the starboard bow of the powerboat was carried away. The damage to the bugeye is not known. The Jubb was bound for Baltimore with a cargo of tomatoes from the Chester River.

Capt. Harry Dill, of the bugeye Miriam, reports to the customs officials that the accident occured about 7.30 p. m. one and one-half miles inside Seven Foot Knoll, and that the Miriam was damaged to the extent of about $200. Captain Dill reports that immediately following the collision someone on the power-boat cried out that they were sinking, and he immediately changed his course, heading for the Jubb, follow-the vessell nearly a mile, and finally concluding that the vessel was not sinking as he could not catch up with her, turned around and continued to Centreville, his destination.—An official report from the viewpoint of Captain Dill will be made the latter part of the week. The Jubb had a large hole in her port bow besides minor damage about decks.

Engagements.—Col. and Mrs. John H. Evans, of Rolph's Wharf, have announced the engagement of their daughter Martha Ann to Mr. James Lemuel Roberts. The wedding will take place in October. Mr. Roberts is cashier of the Queen Anne's National Bank of Centreville.

Mr. and Mrs. Wm. D. Roe, of Barclay, have announced the engagement of their daughter May to Mr. Austin Finley Roberts, of near Sudlersville. The wedding will take place in the fall. The prospective grooms in both cases are brothers.

The "Pepper King."—Mr. Leonard Needles is the Chestertown "Pepper King." He has several hundred plants at his cozy home in upper Chestertown and the fruit are splendid specimens. He has nearly a dozen different varieties. One of the giant peppers measured nine inches across the top. He sells a great amount of the hot fruit for pickling purposes.

Fish Fry.—About 80 persons from Chestertown and surrounding country enjoyed a fish-fry at Cliff City Thursday. Three long tables were spread and everyone joined in the pleasures with heartiness. A game of base ball was a feature of the day.

Water Supply.—The News is requested by the Water Board to ask the patrons in Chestertown to be economical in the use of water as the drought has very much diminished the supply. There is no need for alarm but as a precautionary measure the sprinkler has been stopped and householders are cautioned against waste.

Beach Party.—A delightful "Beach Party" was given on Tuesday last by Miss Nan Maxwell Price at "Stoneton," near Betterton, to a number of her friends. The time was spent pleasantly by the participants in a yacht trip on the Chesapeake, in lunching on the pretty beach, marshmallow roasts, peanut hunt, etc. Among those present were: Mr. and Mrs. C. H. Price, Mr. and Mrs. Henry Price, Misses Mogarth Elizabeth Hurtt, Emma Davis, Mary Harper, May Pennington, Ethelinde Ringgold, Messrs. Clendaniel, Edw. Wallis, Harry Nichols, Wm. R. Price, Wm. D. Maslin, Houston Toulson.

Motto.—Miss Annie Copper, teacher in charge of the Domestic Science Department of the Chestertown High School, has the following motto in her room: "Good cookery means the knowledge of all fruits, herbs, balms and spices and all that is healing and sweet in fields and groves, and savory in meats. It means carefulness, inventiveness, watchfulness, willingness and readiness of appliance. It means the economy of your great-grand-mothers and the science of modern chemists. It means much tasting and no wasting. It means English thoroughness, French art and Arabian hospitality. It means in fact, that you are to be perfectly and always ladies (loaf-givers.)—Ruskin.

NICHOLS—GUNDRY.

Miss Grace Gundry, daughter of the late Dr. Richard Gundry, for many years superintendent of the Maryland Hospital for the Insane, near Catonsville, was married Wednesday evening at 6.30 o'clock to Capt. Henry J. Nichols, of the Medical Corps, U. S. A. The ceremony was performed at Athol, on the Frederick road, the home of the bride, by Rev. Percy Foster Hall, rector of St. Timothy's Protestant Episcopal Church, Catonsville, in the presence of a large assemblage. The bride was given in marriage by her brother, Dr. Alfred T. Gundry, and was attended by her nieces, Misses Martha and Rachel Gundry, as flower girls. The bride's four nephews, Lewis Gundry, Richard Gundry, Gordon Phillips and Jesse Gundry, were ribbon bearers. The bride wore a gown of white satin, trimmed in duchess lace and pearls. She wore a tulle veil caught with a spray of orange blossoms and carried a shower bouquet of white roses. The flower girls wore white lace dresses ornamented with pink ribbons.

The bride is well-known in Kent and has often visited here.

The Educator Shoe contest at C. C. Jones' store last week resulted in a victory for Master Julian Coleman, son of Rev. W. B. Coleman. Julian received 78 votes and Miss Helen Connelly 41.
