The Greatest Profit-Sharing Shoe Sale in This Town for Years.

$2.10 and $3.90 per pair.

Our shoe stock is very large. Prices of shoes have advanced enormously--almost 100 per cent. in the last 12 months. Before adjusting the prices of our shoes to present market values, we have decided to give you the benefit of a great shoe sale. This sale begins TO-DAY, and lasts till JULY 1.

For convenience, the shoes in this sale will be grouped in two lots and sold at two prices: namely Lot No.1,$2.10 per pr.; Lot No. 2 $3.90 per pr.

We could not duplicate these shoes direct from the factory at these prices. This is your rare chance. Accept it early and get the best.

One Way You Can Serve Your Country

You want to do something for your country. You want to give something to your country. You can do both and do something for yourself at the same time.

Make your own clothes at home. You will be working for your country, for you will allow others to do other kind of work. You will be spending your money, which is patriotic, but spending it wisely.

By using Standard Patterns you will gown yourself in the smartest, most advanced styles-that simplicity made modish by Paris for war times.

See the new fashions at our Standard Pattern Department.

Millinery Reduced

In agreement with our store policy, we prefer to sell merchandise which changes in style even at a loss rather than carry some over to another season. We begin earlier this season than usual in the millinery department to lower prices and this gives you almost the whole season to get the use out of what you buy. All ready-trimmed hats will be sold surprisingly low.
