THAT CHASE ON THE BAY.

Sheriff Medders Chases Capt. Dixon to Tolchester—Yacht Helped—Officer Jester Falls Overboard.

In the NEWS last week was given the chase of Sheriff Medders and others after purse net violators more fully told in this issue by Deputy Game Warden Sydney Jones.

Considerable complaint has reached the warden's office of these violations, so Jones, with Sheriff Medders, of Kent county, and Capt. John Jester, on the yacht Mina, of Betterton, went to Fairlee creek the scene of the depredations. They were after William Dixon, said to be a persistent violator, and upon the arrival of the officers it was learned that Dixon was visiting his nets, which were placed in prohibited territory. After waiting on shore for two hours the watchers were rewarded by seeing Dixon and a crew of four approaching, but before they could land two men on the shore warned the men and they escaped.

HAND TO-HAND FIGHT.

"Jones, with his party, took up the chase, which went two miles below Tolchester, or about 10 miles altogether, ending in a hand-to-hand fight. The crew of Dixon's boat used oars to good effect, disabling the propeller of the Mina, and put that vessel out of commission. Captain Jester tried to rig up an emergency blade out of an oar and in doing so lost his balance and went overboard. He was rescued by Sheriff Medders.

The yacht Alceo, bound from New York to Urbana, Pa., was signaled by the crew of the Mina, and after coming up with the vessel, Captain Peterson, of the Alceo, took the Sheriff and Jones aboard and resumed the chase. The crew of Dixon's boat had gotten a good lead and made for Poole's Island. The chase then led twice around that island.

ESCAPE IN DARKNESS.

It was then getting dark and Dixon's boat, being of a lighter draft, eventually got away in the shallow creeks.

Jones was naturally chagrined at not landing his men and procured warrants on two charges for Dixon and his crew—the first charge being fishing with purse nets without a license and in prohibited waters, and the other resisting arrest.

Jones and O. B. Smith had a talk with Governor Crothers yesterday in reference to the violations and were promised all the aid required.

Complaints have been frequent of late, and in one instance a two-ton catch was reported. There are 15 names ready to be sent to the Kent county grand jury, which meets the third Monday in October, and out of the 15 Jones expected to get 15 convictions.

Democrats, don't fail to Register on one of the two Registration Days—Tuesday, October 4th, and Tuesday, October 11th. If you are not Registered you cannot vote for the re-election of Congressman J. Harry Covington.

A successful quarterly meeting of Pomona Grange was held at Church Hill, Thursday with a large attendance. Dr. W. D. Troy, of Centreville, was made chairman of the meeting and many interesting topics were discussed. Among those who spoke were Prof. Smitz, of the Maryland Agricultural College, J. B. T. Merrick, County Organizer Jas. T. Anthony and County School Superintendent B. J. Grimes.

Rock Hall Hotels.—There seems to be a general removal among the Hotel proprietors of Rock Hall. Mrs. Hoffman, of the Hoffman House Rock Hall, has removed to Baltimore, and Mrs L.J. Urie of the Chesapeake House, Rock Hall, has accepted a position in one of the large hotels in Baltimore and Mrs Reeves will remove in the near future. All of these hotels are very desirable and the many friends of all the parties regret their removal.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Galena, Kans.—"A year ago last March I fell, and a few days after there was soreness in my right side. In a short time a bunch came and it bothered me so much at night I could not sleep. It kept growing larger and by fall it was as large as a hen's egg. I could not go to bed without a hot water bottle applied to that side. I had one of the best doctors in Kansas and he told my husband that I would have to be operated on as it was something like a tumor caused by a rupture. I wrote to you for advice and you told me not to get discouraged but to take Lydia E. Pinkham's Vegetable Compound. I did take it and soon the lump in my side broke and passed away."—Mrs. R. R. HUEY, 713 Mineral Ave., Galena, Kans.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

If you want special advice write for it to Mrs. Pinkham, Lynn, Mass. It is free and always helpful.
