PLOWS

Just received a large consignment of
VULCAN
Plows and Repairs. In this shipment are the first of the Vulcan Sulky or Riding Plows.

Many of you know the good features of the VULCAN, its wearing quality, how well the shears last and what fine work it does. Stop and look at this plow.

Pilot No. 4 Sulky

We have some of these plows yet that we can sell at the old price. Purchasers are all pleased at the lightness of draft of this plow. When it is put in the field along with other makes this is more noticeable. The best advertisement for these plows are the men who have them. Ask them.
