No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

NEW FISH LAW.

The following is an exact copy of the new State Fish Law, which has been forwarded to every deputy game warden in the State. It is a very important law and every fisherman and fish seller should learn its provisions.

CHAPTER 255.

SECTION 79.—No person shall catch or in any manner take or kill in the waters of Maryland at any time, any white perch less than 7 inches, any yellow perch less than 7 inches any pike less 14 inches, any rock less then 10 inches, any tailor less than 8 inches, or any sturgeon weighing less than 20 pounds or any rock weighing over 20 pounds in the spawning season of April, May and June. (Haul seines excepted between April 1st and June 12th.)

SEC. 83.—No person shall at any time empty any seine or net of any kind upon the beach, shore or land bordering on any State waters, or in the water along such beach, shore or land unless such water is at least 12 inches deep. The waters of the Chesapeake Bay, above Pool's Island, are excepted from this provision and nets may there be hauled up on the shore, but there must not be left any fish smaller than hereinbefore prescribed sizes, or larger than weights mentioned, to perish, but must be immediately culled over and such small fish returned to the water.

Any person fishing with hook and line must likewise return to the water any undersized fish or overweight fish as described in Section 79.

Carp are not protected and may be caught any size and in any manner, excepting by dynamite, poison or any other manner injurious to fish.

SEC. 85.—No person shall sell, expose for sale, or buy any perch, rock, tailor or pike under the sizes mentioned in section 83, or any sturgeon under 20 pounds, where the fish sold, offered for sale or bought contain over 10 per cent. of such undersized fish, where such fish are caught with hook and line or without the State.

Absolutely illegal therefore, to attempt to sell or buy any fish where there are more than 10 undersized fish in every 100.

This section not to apply, however, to the State Fish Commissioners in obtaining fish for propagation, or to any other person or corporation raising fish, who shall first obtain written permission from the State Game Warden to do so.

It is also made unlawful to dynamite for fish in any waters of the State, and also unlawful to have a fish pot in any waters of the State. This latter refers to fish pots built across the fresh water rivers and not to nets commonly known as "eel pot."

Provides for a fine of $25 to $100 for each and every offense and in case of non-payment of fine commitment to jail, one day for every dollar of fine imposed.

Any person who shall procure a conviction under this act shall receive one half the fine and the other half to go to the State Treasurer to the account of "State Game Protection Fund," to be used by State Game Warden for the protection of fish. Act takes effect from date of passage and approved April 7th, 1910.

CHESTERTOWN has been sorely visited by the flames. The loss sustained by our sister city has been a severe one. But it's people are meeting it bravely and hopefully, as was to be expected of them. Our neighborly sympathy goes out to Chestertown in its hour of trial—also our confidence in the power of its people to recuperate and go forward.—Cecil Whig.

THE tomato canning season for the year 1910 is about at a close, a number of canning houses having already shut down, while those still open will run on less than half time and do not expect to pack many more goods. The season has been a failure so far as the pack is concerned, the pack being less than one-half of what it usually is. The farmers, too, have only gotten about a half a crop.

ONE thousand dollars was offered Robert Cameron, of Cecil county, for 40 hogs, each weighing 250 pounds. He refused the offer.

Than Our Competitors Because We UNDERSELL Them

OUR PRICES are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on QUALITY and GRADING. You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our QUALITY is absolutely guaranteed. Our GRADING is standard among the thousands WHO KNOW. *Send Us An Inquiry Today.* We're out to undersell the other fellow and save you money—and we do it.

Politeness Pays.—Marion Mitchell, of Laurel, Del., who a few months ago secured a position as bell boy in the Rittenhouse Hotel, Philadelphia, by his courteous and cheeful disposition, attracted the attention of Miss Adaline Maiquise, a wealthy woman who had rooms in the hotel. A few days ago Miss Maiquise wrote the youth's mother, Mrs. Lottie Mitchell, of Sharptown, that her boy deserved a better place and if she would give her consent she would fit him for a higher position in life. The mother gave her consent and the woman took charge of Marion and he has matriculated for a four year's course at St. Luke's College, Wayne, Pa., at an expenditure of eight hundred to a thousand dollars a year, all of which is borne by Miss Maiquise, including his clothing and every other item of expense. Marion is 19 years old and is an unusually bright boy and always cheerful. His father was Dr. Lemuel P. Mitchell, for a number of years a practitioner nineteen miles from Laurel, having died a few years ago.

Resolutions of Respect.

Resolutions of respect and condolence on the death of a fellow-member of the Chestertown Volunteer Fire Company.

At a regular meeting of the Chestertown Volunteer Fire Company, held on Monday night, October 10th, 1910, in the Firemen's Hall, the following preamble and resolutions were unanimously adopted:

WHEREAS, in view of the loss we have sustained in the decease of our friend and fellow member, ROBERT W. BRAMBLE, and the still heavier loss sustained by those who were nearest to him; therefore be it

Resolved, That it is but a just tribute to the memory of the departed to say that in regretting his removal from our midst, we mourn for one who was in every way worthy of our respect and regard—one who was ever ready to lend a hand in the time of need.

Resolved, That the heartfelt sympathy of this Company be extended to his family in their affliction.

Resolved, That these resolutions be spread upon the records of the Company and a copy thereof be transmitted to the family of our deceased brother, and to each of the newspapers of our town.

Resolutions of respect and condolence on the death of a fellow-member of the Patriotic Order Sons of America, Chestertown, Md.

At a regular meeting of the order on Tuesday evening, October 10, 1910, in Fraternal Hall, a committee was appointed to draft resolutions in memory of Bro. ROBERT W. BRAMBLE, a fellow member, who departed this life October 10, 1910.

Resolved, That in the providence of the All Wise Father, we have sustained the loss of a fellow member and brother; that the Camp realizes in this loss a bright, cheerful friend, as he had just budded into young manhood; that we realize, too, the uncertainty of life, yet we would bow to the will of Him who gave and who hath taken away.

Resolved, That we extend to the deceased brother's family our heartfelt sympathy, and can assure them that the initiation administered to their loved one by this Camp was ever an incentive to him toward right living.

Resolved, That these resolutions be entered in the minutes of the Camp record and a copy of the same be given the mother of the deceased brother, and published in the county papers.

IN MEMORIAM.

WILLIAM J. HURLOCK.

We feel deeply bereaved in recording the departure out of this world at near 4 o'clock Monday last the 3rd inst. of our dear good friend, neighbor and brother in the Lord. Stomach trouble of tumerous or cancerous nature was the malady which, gradually, for over three months weakened and exhausted the vital organs of the once strong vigorous body.

The deceased was 72 years and two months of age on Sunday the 2nd day of October. From boyhood, we are informed, he has been a christian, and on our present church record his name stands No. 6. He was both Steward and licensed Exhorter in the Kennedyville Methodist Protestant Church, and held in highest esteem by his church and many friends as a conscientious christian gentleman. His estimation of christian character was of the highest type and he was ever mindful of the great importance of winning souls to "Christ and the Church."

Since the year 1882 he was ten times delegated by his church as a lay representative to the Annual Conference, thus showing the high appreciation in which he was held.

Many members of the Conference will recall his cheerful face and good humored genial spirit. When the writer and his wife last April arrived by steamer at the Betterton wharf on our way to Kennedyville Charge, Bro. Hurlock, with beaming face and words of good cheer, was on the wharf close by the gang way to meet the new pastor and wife to guide them through the darkness six miles to the parsonage. How our hearts were cheered, and it reminded us that the time will come when we must come to the gang-way between this and the great future, and our need of the Divine Guide through the darkness of the "Valley of the shadow of death." While Bro. Hurlock was passing through this "valley" during his many weeks of suffering he assurred us that the Great Shepherd was with him. As one of our nearest neighbors he has greatly endeared himself to us, and we shall seriously miss him. In the church services and councils we shall miss his inspiring prayers and helpful presence. The son and daughter will miss a kind father, we will all miss him; but most of all the bereaved companion, after a long pilgrimage of over 48 years, through this life of varied experience, sunshine and shadow, ups and downs, over rough seas, in hopeful youth, amidst the strength of the strongest days, on and on over the hill-top of life's summit, down through failing strength and decrepitude. At such a time to be separated is to be sorely afflicted. But we "sorrow not as those who have no hope." "To live is Christ; to die is gain." Our loss is his eternal gain.

Funeral services were conducted at the home of the deceased Wednesday, October 5th, at 10.30 a. m., by the writer, assisted by the Rev. F. D. Reynolds, of Dover, Del., an ex-pastor. Miss Lu'a VanDyke, of Kennedyville, had charge of the music, singing "Rock of Ages" and "The Sweet Bye and Bye." Mrs. Dodd, of Chestertown, sang very touchingly "The Home of The Soul," and after the casket was lowered in its resting place in the Kennedyville cemetery the choir sang sweetly "Safe in the Arms of Jesus." A very large concourse of people were in attendance, thus showing the high regard in which Mr. Hurlock was held in the community. "On the golden shore, in the grand evermore," we hope to meet our friend and brother, where there shall be no more death. Let us be sure that our "lamps are trimmed and burning, and our vessels filled with oil."

F. H. MELLINEAUX, Pastor.

In memory of ROBERT CARL CREW, who departed this life August 26th, 1910.

"I heard thy fate without a tear,
Thy loss without a sigh,
And yet thou wert surpassing dear,
Too loved of all to die.
I know not what hath seared mine eye,
The tears refuse to start,
But every drop its lids deny,
Falls dreary on my heart.
Yes, deep and heavy, one by one,
They sink, and turn to care;
As caverned waters wear the stone,
Yet dropping, hardened there:
They cannot petrify more fast
Than feelings sunk remain,
Which, coldly fixed, regard the past,
But never melt again."

LIEUT. JOHN GORDON.

GENEVRA LOLA WILSON—In loving remembrance of our dear daughter, who departed this life two years ago today, October 18, 1908. Yes, two sad long years since she left us.

Oh saviour our hearts are so weary,
As we walk along life's way,
So sad since our darling left us—
Two long years ago today.

God grant when our earthly life is ended,
And we gather around the throne,
That we will meet our precious loved ones
In that bright and heavenly home.

MAMA AND PAPA.

Anxious Messenger—Say, fireman, there's another fire broken out up the street. New Recruit—All right, old chap; keep her going till we've finished this one.—Punch.
