THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

THE ONLY NATIONAL BANK IN THIS COUNTY

May the New Year be a prosperous and fruitful one, may joy and recompense come to you; and may it be our privilege to add to your success. With all good wishes:

EYE DON'TS

DON'T buy glasses as you would hats; they should be fitted by some one who understands the anatomy of the eye.

DON'T wear other people's glasses.

DON'T allow some cheap fakir tamper with your eyes. In most cases they get the money—you the experience.

DON'T use your eyes after you discover that you have to hold your book or sewing at a greater distance than usual, this is the first symptom of eye strain.

FEED MILLS

The high price of feed makes it necessary that you make it go as far as possible. You cannot find a better way than by grinding it. NEW HOLLAND FEED MILLS have been sold here so long they only need that we mention them. They have the largest grinding capacity of any mills on the market. We have them in several sizes, and the prices are very little more than last year. They can be run with as small as 1½ horse power and up.

WOOD SAWS

We made an early purchase of Saws and they are now in. We want to give you the benefit of our early buying. These Saws have 26-inch Blades which are the standard sizes. We advise early buying as the price will be higher when present stocks are exhausted.

We can furnish you power to run these machines with. We have a large line of OIL ENGINES to run these Machines with.

Don't use your large engine to run your pump with, it is too expensive. Buy one of our

1½ H. P. ENGINES WITH MAGNETO

They don't need any batteries. All complete $48.00. See our full line.

Yours to serve,
