John F. Howard,

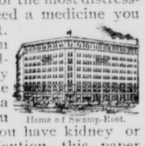
Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.



Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

NEW YORK FADS

Novelties in Small Things—New Jewelry—Fans—Footwear—Belts and Watches.

New York, December.

Christmas gifts should be easy to select this year for the shops are full of alluring novelties that appeal to all sorts of tastes.

THE LATEST LORGNETTE CHAINS.

Lorgnette and watch ribbons with jewelled slides are very fashionable not only among the real jewelry but in the imitations that are so artistically gotten up that almost everyone wears them on occasion. Fashions are so fleeting that many women who possess fortunes in real stones hesitate to have them reset for passing faddishness and use the pretty rhinestones and other successful imitations for their small jewelry fixings. Sets of slides from two to five or even more come in simple or complex designs, in diamonds, pearls, rubies and emeralds and in combinations of real or clever imitations. Long chains for the lorgnette or vanity outfit are being made of beads by the girls, with occasional ovals, oblongs or squares of finely woven beads. Dog collars of a similar sort of from three to six strands of pearls, beads, jet or steel are easily made by any amateur and can be arranged to go with certain gowns if desired.

THE BIG PLAQUE.

The big round plaque set with various stones set in filagree or cut gold, silver or platinum work are taking the place of the long popular La valliere, though the latter is not out by any means. Bali watches set with small pearls or other stones, hung from long jewelled chains are captivating the fancy of the girls just now, and bracelet and bag watches though not novel are still very popular.

NEW FANS.

The fan that graduates from quite a wide width at one end to a very few inches beyond the sticks at the other is the latest novelty in these articles and comes in a wide variety of sticks and decorations, in silk, paper, parchment and feathers.

BAG FANCIES.

Velvet bags with very long cords and tassels, and those of satin handsomely embroidered are carried for dress occasions harmonizing well with the velvet and satin footwear that is worn extensively on the streets as well as indoors. Brocade bags that carry out the color scheme of the coat or costume are similarly made up and ribbon bags that look very much like those everyone is familiar with as work bags, are being carried quite a bite for afternoon affairs as well as for opera use.

The above designs are by The McCall Company, New York, Designers and Makers of McCall Patterns.

JEWELS IN THE "GLITTERING HORSESHOE."

Hair dressing is decidedly less ornate and artificial looking this year, and the absence of tiaras is notable at the Metropolitan yet the "Glittering Horseshoe" continues to gleam after a different fashion. Bandeaux and cap effects, odd cabuchons and many other quaint and picturesque ornaments are worn that are decidedly more becoming than the discarded crowns. The soft draping of the hair to cover most of the ear is a notable revival that goes perfectly with the long pearl earrings that continue to be smartly worn. Sleeves continue to be short even for blouses worn with tailored suits so bracelets of all sorts are more than ever a prize number of the jewel outfit. Flexible styles in wrought gold that suggest one's grandmother's girlhood are best liked and plaques set with precious or semi-precious stones are pushing ahead of the La Valliers that have been so long popular.

VEILS AND THEIR DRAPING.

Draped veils both in the regular Chantilly pattern and in nets with spider webbed patterns, are most seen on the fashionable crowd, but very many prefer a trim, taut effect over the face even when they allow the ends of the veil to flow down the back. Black and white rather than colors to match the hat are the prevailing choice and bordered effects, even of Marabout and fur have considerable prestige.

VERONA CLARKE.

Ross & Son, 206-210 Market St., Wilmington, Del., are the exclusive agents for the McCall Patterns and Publications, and carry in stock over 10,000 dress patterns of the latest Paris, London and New York Styles, from which the ladies of Chestertown and vicinity can supply their pattern wants immediately at popular prices, 10 and 15 cents.
