ORIGIN OF Pinkham's Blood Purifier

Lydia E. Pinkham, of Lynn, Mass., succeeded in producing, from the roots and herbs of the fields, Lydia E. Pinkham's Vegetable Compound, the most successful medicine for women's ailments the world has ever known. After she had put this on the market, women began to write her about their health, because they felt a natural delicacy about consulting any man physician regarding these ailments for which the Vegetable Compound is intended.

She soon found that her correspondents often had complications caused by impure, impoverished blood, and she recognized the necessity of having a reliable blood purifier which she could recommend with confidence as

The Best Spring Medicine

Then, as now, there were many blood purifiers and spring medicines on the market, and after looking into them, she found nothing so good as the old home medicine made from roots and herbs, which she had been accustomed to use in her own family, so she had this made up on a large scale, and furnished it to the stores. It has been very little advertised, but has attained a large sale solely on its merits, and is really a wonderful blood purifier and spring medicine.

It is a good, old-fashioned household remedy made from roots and herbs, which has been used from generation to generation for purifying the blood, removing humors and eruptions, and for that all "played out" feeling.

Mr. Medford Meginniss has been in town this week for a short stay.

Miss Cynthia Nelson, of Oxford, Md., visited friends in town this week.

Mrs. Mary Poore, of Warwick, Md., spent Wednesday with friends in town.

Miss Wilhelmina Moffett will have her opening of spring millinery on Wednesday, April 5th.

Mrs. Sallie Moore and daughter, Miss Bertie, made a business trip to Chestertown on Tuesday last.

Mr. John Porter, of Clayton, Del., spent Sunday in town with his parents, Mr. and Mrs. W. J. Porter.

Mrs. Martin Bowman and little son, George Evans, are visiting friends in Wilmington, Del., this week.

Mr. and Mrs. Geo. Davis, Mr. and Mrs. Elwood Davis and Miss Nellie Davis, of Wilmington, spent a few days this week at the home of their mother, Mrs. John R. Poore.

Mr. Herbert Trice and family left last Sunday for Greensboro, Md., where Mr. Trice has secured a good position. His family will reside in Denton, their former home, for the present.

Mr. Clyde Robinson has returned from Chicago after a short stay in that hustling city. Says he saw very few farmers in town. Mr. William Nickerson who went along with him has not arrived yet.

Mr. and Mrs. Geo. Harrington returned last Friday evening after spending the winter with their son, Mr. William Harrington, at Bear, Del. Mr. Harrington is so well pleased with Delaware that he talks of renting his home here and removing to Delaware permanently.

Washington Camp No. 42, P. O. S. of A. of Millington is enjoyed quite a revival, having had a number of reinstatements as well as new propositions for membership of late. This is a splendid order and all who are not members would do well to investigate the matter at an early date and learn what the Order will do for your home, yourself and your native land.

Mrs. Henry S. Dulaney, of Fruitland, Md., spent a part of this week with friends in town. Ten years ago she with her good husband occupied the parsonage here for one year during which he did a splendid work. Since then he has left the pulpit and is engaged in mercantile business. They will long be remembered by their Millington friends and a hearty welcome is extended whenever they visit this community.

Rev. Wilmer Jaggard and wife left town for their new appointment, Preston, Md., on Tuesday afternoon last. They go with the affectionate regard and best wishes of a large portion of this community, both of those who are connected with the church and those who are not. We stand at attention, ready to salute our incoming pastor and extend to him and his good wife a hearty welcome to our midst, anticipating a most happy and prosperous year.

Mr. W. J. Bamberger, a very highly respected farmer living in Queen Anne's county, near Millington, was stricken with paralysis on last Thursday evening and has since been in a very critical condition. He had been about all day doing various little jobs and among other things he trimmed a few fruit trees, and toward evening he went in the house and was resting on the couch when his grandson asked him if he got the mail from the mail box, he did not seem to answer and when asked again it was discovered that something was the matter with his speech. Medical aid was immediately summoned by the family but the doctors decided that they could do nothing to restore him, as it was a complete stroke affecting the whole of one side. He had shown no signs of improvement until on Wednesday when he seemed to recognize persons and tried to speak. Mr. Bamberger has been a very active man but feeling the advance of years rented his farm last fall and had a sale of personal property and retired from active life. His many friends hope for his recovery.

Maryland Day was observed at the Millington High School on Friday last by the rendering of a very interesting program. A number of parents of pupils of the school were present and were well entertained.
