Killed In Action

Private James W. Caldwell, nephew of Mr. S. G. Caldwell, of Galena, was killed in action in France June 7. The following telegram from the Adjutant General at Washington, addressed to Mr. James L. Caldwell, was received at Galena Friday morning:

"We regret to inform you that Priv. James W. Caldwell, engineer, is officially reported killed in action in France."

Praise For Kent's Sheriff and Deputy

That the sheriff of Kent county and his deputy are enforcing the Compulsory Labor Law in Kent is evident by the following letter, which speaks for itself:

The Honorable Board of County Commissioners for Kent Co., Md.:

Gentlemen—I desire to express my appreciation of the co-operation of the sheriff for Kent County, Mr. Geo. W. Carter, and his deputy, Mr. Perkins, in helping me enforce the Compulsory Labor Law against both black and white and I desire to state that this county (Kent County) is in as good, if not better, shape than any other county I have been in.

Very truly yours,
WM. T. COLLINS, Special Agent.

CHURCH NOTES.

Rev. L. E. Poole, well known here, returned to his home in Snow Hill recently from Vermont, where he has been campaigning in the interest of the College Endowment Fund of Montpelier Seminary. Four years ago a campaign was launched to raise an endowment fund of $30,000,000 for the Seminaries in the M. E. Conferences, and the Vermont district was the last to be canvassed. Mr. Poole says the New Englanders are kind and courteous, and he reports that the subscriptions were very generous. The last reports indicate that the Conferences are within sight of the $30,000,000 goal.

A Letter From A Former Employe

Mr. William T. Blyman, a former employe of the Transcript, writing from somewhere in France, says:

"France is a very pretty country and everybody seems to be very industrious, as the farms all look good and the crops are in and growing. It is a good place to live, if our people were over here. But as mine are in the States that is where I want to come when this war is over. The people all treat the American soldiers fine. When we arrived in one town they threw flowers in our path and I was given a bouquet which I kept for several days.

We can buy light wines, eggs and milk, but I haven't seen any candy, cake or tobacco and matches are not to be had. I would love to tell you about the trip, but of course you know I can't do that. I can say that I was very sea sick and so were lots of the others. I cannot tell you where I am or what I am doing, but I am getting along fine. I am sure the Transcript will be appreciated by more than one.

Spencer Smith is still with me and is getting along fine and Dr. Lemen was the last time I saw him. I don't see much of Dr. Lemen, though, as I stick pretty close to my quarters."

—The County Commissioners are having the county wharf at the foot of Main street, Chestertown, repaired. The pile driver of Messrs. Geo. E. Leary & Son has driven a number of new piles and replaced the front of the wharf with new boards. The repairs were much needed. The M. D. & V. Railroad Co. are also having a number of new piles driven at their wharf to replace some old ones.
