Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

KENNEDYVILLE NOTES

Weer's Hall was well filled Monday evening, the 29th, with ladies and gentlemen of the Kennedyville Grange. The literary programme, in charge of Worthy Lecturer, Medders, was a Spelling Bee. The Captains of the Bee were Mrs. Tilghman Shafer and Mr. L. J. Usilton. Eleven or twelve on each side composed the two armies of the field of battle. Among the fatal shells before which some of the brave patriots fell were the following: rhinoceros, mausoleum, serial, pomegranate and others.

Among the last to hold their places until near the last, were the two captains, Mrs. M. E Clendaniel, Miss Annie Wicks Melvin, Mrs. Mullineaux, Mrs. Othoson and others. Miss Melvin proved to be the Champion, holding her place to the last. Good order and great interest held out until the last gun was fired. Miss Ethel Solloway was the Teacher of the occasion, selecting and pronouncing the words and filled the place in a most admirable manner.

The last thing on the program, with open doors from the time the Bee began, was the serving of a bountiful supply of cream and cake, with a most joyful social time which all seemed most joyful social time which all seemed to enjoy. The Grange, beginning with June, will hold one business meeting per month in the hall, the first Monday night, with occasional gathering of a social kind on lawns or green yards as the invitations may come. Committees were appointed Monday evening to have in readiness all things on the large and beautiful lawn of Mr. and Mrs. Elias T. Othoson, for the Pomona Grange meeting in July.

Committees and rehearsals are preparing for the Children's Day service for the M. P. Church for the near future Mr. John Medders, Supt.

The time for the reopening service for the above named church, is post-poned on account of not being able to get the new carpet from the Wanamaker firm when expected. Work on the M. P. Parsonage fence is progressing.

Keep in mind the Strawberry and Ice Cream Festival to be held on the M. P. Church green on the evenings of Friday and Saturday of next week, June 9th, and 10th. Come ahd spend a most social and enjoyable time.

ROLPH'S ITEMS.

Mr. Edward Wheeler, a coal dealer of Baltimore, who has been here with his family for the last three years came over on the B. S. Ford last week and rented the "Sunset Cottage" from Col. John H. Evans, and will bring his family over from Baltimore at once.

Charles L. Story, a leading printer of Wilmington, Del., in company with W. M. D. Biscoe, agent of the Du Bric Motor boat engines, arrived here last week. They made the trip from Wilmington in Mr. Story's launch, "Julia S.," coming through the Chesapeake Canal to Chesapeake Bay, thence up the Bay to Chester River, a distance of 131 miles. They made the trip without a mishap in just thirteen and one half hours! The weather being fine made the journey a pleasant and safe one.

Mrs. Story and niece, Miss Grace Martin, came down by team driving Mrs. Story's combination gelding, "Billy Russell," who is from the stock of Happy Russell, formerly owned in this county. The sun being so severe, part of the trip was not so pleasant, but the horse was in good shape on arriving, after a drive of 63 miles.

Mrs. Edward Morris, wife of the Supt. of the Wilmington Ice Co., will be the guest of Mrs. Story for the summer.

The report of no peaches will most likely interfere with the steamer B. S. Ford making round trips to Baltimore, which will be a great disappointment to hundreds of people here and also in Baltimore.

GRANGE NOTES.

Floral and Children's Day of Fairlee Grange was held Saturday afternoon on the lawn of Mr. Edward A. Corey's home and about 200 persons enjoyed the exercises. A feast of reason and flow of good fellowship prevailed. The large porch was decorated with flags and bunting and a good programme presented. Each did themselves credit and pleased the audience. Miss Stuart's singing was especially appreciated and the Grange hopes other friends from town and elsewhere will visit them. Ice cream and cake was served. The programme follows:

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erie, Pa. — "I suffered for five years from female troubles and at last was almost helpless. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound, and when I had taken only two bottles I could see a big change, so I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will give Lydia E. Pinkham's Vegetable Compound a trial. It was worth its weight in gold."—MRS. J. P. ENDLICH, R. F. D. No. 7, Erie, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.
