Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours.

A brick-dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

Home of Swamp-Root.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

KENNEDYVILLE NOTES

The new canning factory of Mr. Howard Baldwin, with concrete foundation and cement floor and to be completed with all modern improvements on the suburbs of Kennedyville, is processing, under the management of Mr. L. A. Pennington, as builder.

The new picket enclosure around the M. P. Parsonage yard is nearing completion. The next thing in order will be the painting. The material is first class, with locust posts, Georgia pails and cypress pickets.

It is desired upon the part of the ladies of the Kennedyville Aid Society, Mrs. Dr. J. W. Urie, president, that their Strawberry and Cream Festival for the church green, on Friday and Saturday evenings of this week, the 9th and 10th, be largely attended. Proceeds to be used toward the purchase of the new carpet for the church.

Sunday, the 18th of the present month, has been fixed for the Children's Day Services in the M. P. Church, with appropriate sermon for 10:30 a. m., and the program of music and recitations for 8 o'clock in the evening, Mr. John Medders, superintendent.

The Junior service of the C. E. Sunday afternoon was usually interesting, with the object lesson on the twelve spies sent over to see "the good land beyond the Jordan" in the time of Moses. Each of the twelve Junior spies bore a flag or banner as they marched around the church to the time of music, with one of the Juniors, Miss Blanche Scotten, at the organ. Caleb and Joshua and the two of twelve bearing the great clusters of the "grapes of Eshcol" were represented, while the pastor, Mr. Mullineaux, had charge, explaining to the children the interesting history and calling upon all to imitate and emulate the two brave ones, Caleb and Joshua.

NEW ERA FOR STARR.

Music Peals—Sexes Mingle—Rev. Francis T. Little, Former Pastor of Old Congregation Preaches—Pastor Haddaway in Charge.

When the first strains of the organ filled the church as it played the prelude to the opening hymn of the joint cornerstone laying and dedication services of the Starr Methodist Protestant Church, Mont Alto and Garrison avenues, Walbrook, Sunday morning, the members of the congregation felt as if they were entering upon a new era of existence and one that foreboded prosperity.

For 30 years, when the old church stood at Poppleton and Lemmon sts., no musical instrument was heard within its walls. For, according to the will of Wesley Starr, who at his death in 1866 bequeathed to the church the ground on which it stood, and other property, the singing should be conducted in the old-fashioned way and no organ or other musical instrument should be allowed. The will also provided for the separation of the sexes in church according to the old Methodist custom. These restrictions extended even to the sunday-school.

But the congregation decreased and evil times seemed coming upon the old church when about a year ago the pastor, Rev. George W. Haddaway, succeeded in obtaining a decree authorizing the sale of the church and the building of a new one. It was decided that the church owned the building and ground in fee simple and that the congregation was no longer held by the provisions of the old will. From that time music was used in the church.

The organ was supplemented by an orchestra, and the young men and ladies sang side by side. The first services in the new edifice were held Sunday morning, when Rev. Francis T. Little, for 13 years the pastor of the old church, preached. An address was made by Rev. T. O. Crouse, of North Baltimore Church, Rev. J. S. Bowers, of Alnutt Memorial Church, read a history of Starr Church.

At the dedication services at night Rev. W. M. Strayer, a former pastor of the church, preached.

The new church has been erected at a cost of $15,000. Plans are being perfected for a parsonage and a large auditorium, which will bring the cost up to $60,000.

The building committee is composed of Rev. Mr. Haddaway, chairman; W. W. Smith, Stephen Bouis, Jr., W. H. Kelley, R. S. Greene, James Chapman, Milton Henkie and W. F. Spangenberg.

HORSE NOTES

Old Belton, 2.17¼, has a number of good colts to his credit and one of his last colts, a coming 4-year-old gelding, Edgar Belton, bred for, raised and owned by Mr. Jere Miller, Worton, Md., gives promise of being extra credit to the grand old sire. This colt's dam is Silver Queen, trial 2 28¼, sire Bedworth, Jr., 2.00¾. Silver Queen's dam was Bessie May, 2 27, sire old Orange Blossom, 2.16¼. This little colt, after four week's sickness this spring, was worked thirteen days and at the Worton Driving Association's matinee last Monday paced a mile without hobbles close to 2 40. It looks like a good future for Edgar Belton.
