Going OUT OF BUSINESS !

$15,000.00 WORTH

inMen's and Boys', Misses and Women's Clothg, Hats, Shoes, Furnishings, Dry Goods and Silks, Rubber Goods, overalls and Work Shirts must be sold out regardless of cost.

Impossible to follow the steady advance on all goods we will sell out and quit. Don't let anything prevent your coming. Don't compare this sale with so-called reductions at other places. We must sell our stock as we are going out of business.

Price is Out of Consideration

$4,435.00

of Ladies' and Misses' New Spring Suits, Coats, Silk and Serge Dresses, Fine Silk Waists, Jersey Suits and Millinery must be sold regardless of cost These goods have just arrived.

Having always carried a large selection of the above goods and to buy at the right price, we always had orders given from six to eight months ahead. These goods were made up for us, and we were compelled to accept them. These brand new spring and Easter goods will be placed on sale and marked down as cheap as the goods we had on hand.

It's to your interest to see these new spring goods at nearly half price and less.

OUR JUST REASON

FOR SELLING OUT

IN PLAIN FIGURES

Over Fifteen Thousand Dollars capital of a few years ago must tripple to carry the same amount of goods next fall, which we cannot financially accomplish. Hence, we will quit. Having had the question put to us about when will our sale be over.

Judging from the heavy selling of our first month our sale may last only a few months longer.

Men and boys, don't delay if you want a suit for Easter or later on. All new spring suits will be just as cheap as the suits we had in stock.

The Retailer's Invitation

This is my home, here where you come to buy—
My business home, you are my guest and I
Your cordial host. Let not alone the trade
Possess your thoughts. In you I hope I've made
A lasting friend, and that if you recall
This little visit and our deal at all,
It may be only ts the means we found
To meet and mingle on a common ground.

This is my house, thrown open to my guest,
While I with joy comply with their requests,
Daily I hold reception, eight to six,
Striving to please the ones with whom I mix,
Hoping to fill each several, varying need,
With courtesy, devoid of sordid greed.
The thought of "getting" I would put away
And concentrate on "giving" all the day.

This is the house my business built for you,
To visit in, and if my house can do
A service for my valued list of friends
It will have served my fondly-wished-for ends.
Forget that you are "patron" or that I
Am called a "dealer." As the days go by
Let neighborly relationship prevail,
And this, my home, and yours, can never fail.
