THE COMPARISON.

Under the old road system the roads cost from $30,000 to $40,000. Tax rate $1.85 in 1910.	During first year under the new road law the roads cost $16,000! Tax Rate $1 22 in 1911. Will be less in 1912.

Mr. Tax-Payer are you interested in having *this system continued and your taxes decreased.* This is one of the planks of the platform on which the Organization asks support.

CAN'T AGREE ON DATE

Chairman Vandiver has had one conference with Chairman Hanna relative to the primary election date, but no agreement was reached. Mr. Vandiver insists on Saturday, August 26, while Mr. Hanna, adhering to the wishes of the Republican committee, insists upon Tuesday, August 29.

Mr. Hanna has given his ultimatum. The primary must either be held August 29 or on the first Monday in September, which is the day fixed by law. Whenever Mr. Vandiver is prepared to agree with the Republican chairman another conference will be held. Saturday best suits the counties.

"LEST WE FORGET."

Readers of the Baltimore daily papers must be heartily sick of the constant agitation of the school troubles. A climax was reached Wednesday when Mayor Preston dismissed three reputable members of the School Board for the purpose of substituting men who would displace Prof. Van Sickle. We have nothing to do with the merits pro or con of the management of the Baltimore schools, but the action of Mayor Preston is unusual and brings to mind similar action in Kent when the BOSS was in power. The first thing he did he laid violent hand upon one of the best School Commissioners the county has ever known and *had him turned out of office* for no reason in the world except that he was not appointed by his imperial majesty!

This action of the Boss and his lieutenant was rebuked by the voters of Kent at the first opportunity and MR. JOHN P. AHERN was returned to the Board. Mr. Ahern was and is in every way qualified for the position and his appointment universally acceptable. His character, above reproach, and a man acknowledged to be a friend and supporter of the public school system; generous to a fault and a leader in every public enterprise; in short he is an ideal citizen and just the man for such a position as School Commissioner. *But he failed to bow to the Boss* and ask his permission, so he was ruthlessly kicked out!

But the people repudiated this sort of Bossism and put Mr. Ahern back again and he is proving his sterling worth and efficiency.

Will the voters of Kent vote for the Barroll candidates and allow the Boss to kick Mr. Ahern or others out. We don't think so.

But this was not all. The public school trustees were the next prey. As soon as the opportunity offered the Boss made a clean sweep of the trustees that were not to *his* liking. Men and women that had served long years faithfully, and to the satisfaction of their communities, were deliberately turned out and his own favorites elected!

His hand was thrust further still into this great institution of the people and his disposition seemed next to dictate the appointment of teachers. The late lamented Examiner Peterson came under his frown because he would not do his bidding.

The Boss' record is well-known. He has raised this issue which will not down. "The public school," says one, "are as the ark of the covenant, and the man who lays profane hands upon them will dearly rue it in the end."

FOR EARLY CLOSING.

The merchants whose names are given below have entered into an agreement to close their stores at 7.30 p. m. (Saturday excepted) during July and August. This agreement was signed with the understanding that all merchants concur. To date the list shows a vast majority are in favor of this progressive and beneficient move, and it is to be hoped that the few who have not signed will do so before July 1st, so that the agreement may become effective. The agreement is as follows:

Believing that the buying public is in favor of such action and also that such agreement will provide but a proper and necessary period of recreation for clerks and proprietors, we the undersigned merchants of Chestertown, do hereby agree to close store at 7.30 p. m., (Saturday excepted) during the months of July and August.

Signed:—Graham & Clements, Mrs. S. E. Kirby, D. Arthur Bacchus, H. F. Jefferson & Bro., C.C.Jones, H. B. Rote, Moody & Lusby, Lofland & Culp, A. W. Carmine, J. S. Kreeger, Robert Moffett, J. S. HOME COMING WEEK?

Chestertown has never had a "Home Coming Week" and we would suggest that it would be a good idea to have a celebration of this character next May or June. By that time the burnt district or a large part will have been rebuilt, new cement walks laid, macadam street begun, fire protection improved, gas plant established and other improvements made.

A carnival lasting two days could be arranged including an automobile show or parade, motor boat and swimming races, children's carnival, base ball, sports, etc., etc.

What's the matter with the Board of Trade taking hold of the matter now.

THE NEW ROAD LAW.

The tax rate has been struck at $1 22, a reduction of 63 cents from last year. The bulk of this saving has been accomplished by the inauguration of the new road law for Kent county which some are styled to call the Slay Road Bill. It is the best law ever enacted for this county and to Hons. Wm. M. Slay, J. S. Harris and Harry C. Willis are due the credit for its enactment. It takes its place alongside the Treasurer law in its advantages and operation. Here are the figures for the year of the cost of road work in the several districts from June, 1910, to June 1911:

First District	$2,970 87
Second District	1,948 10
Third District	3,093 88
Fourth District	1,686 58
Fifth District	1,398 41
Sixth District	1,990 81
Seventh District	1,424 45
Total	$14,483 09

Last year under the commissioner system the cost was $35,000 and the previous year over $40,000!

THE ANTI-BOSS CANDIDATES

The following excellent array of Democrats have been presented to the Democratic voters for their consideration at the coming primaries. They are all men of character, independence and courage of convictions, and if nominated will make good representatives of the party and give to the county faithful service without regard to any *one man* or set of men.
