Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

¶ We welcome the small depositor.
