Messages to Seekers of Success

## Miracles in Money

A city skyscraper seems a miracle in steel and stone. But it is only a vast number of girders painstakingly placed together—a vast quantity of bricks placed end to end and one above another.

Miracles in money are seeming miracles only. **You** can work miracles in your own life.

### Saving Wins Success

You can have a big prosperous farm, own a car, or travel wherever you wish.

Men who have really succeeded spell it S-A-V-E. You can win the same success. You do not need a lot of money to do it. You need no great education.

You need only the determination to start now and continue. Let us help you.

In this case the son, an employee of a home merchant, fondly warns his mother of the necessity of circulating his earnings in the community from whence it came. The seed from the home pay envelope should be planted in the soil of local commerce in expectation of a larger crop in the future—cultivate home buying.
