ROCK HALL NOTES.

Mr. Carroll Davis and family, who moved to Virginia early in August, have moved back to this place, and report that the roseate pictures portrayed to them which induced their going to the "Old Dominion" proved not the real thing, much to their disappointment. There is no place on the map to equal old Kent to Kent countians.

The P. O. S. of A. of this place are beginning a campaign for an increase of membership, and to this end Mr. Wm. G. Davis is offering a first-class badge of the Order to the member who brings in the largest list of new members by the end of the Order year, and Mr. William Hillingham has supplemented that offer with a cash offer for the same number making the largest list. Now for a hustler. Alex. says "watch him."

The funeral service over her remains took place Thursday afternoon at the church in the presence of a large assembly of relatives and friends, Rev. Mr. Corkran officiating. Casey Bros. had charge of the funeral and interment in Wesley cemetery. "Mother" Ayres was a most exemplary christian lady, well beloved by all who knew her. For many years she was a member of the M. E. Church, where her presence and testimonies and prayers were always an inspiration to all her church mates. Messrs. Thomas H., Charles W., Daniel W., George and David J. Ayres are surviving sons; Mrs. J. B. Downey and Mrs. P. G. Ashley are surviving daughters of the deceased.

IN MEMORIAM.

On September 15th, 1911, George Golden, aged 11 years 9 months and 27 days, beloved son of Alice V. and the late Wm. H. Sanford.

We knelt beside you Golden, dear,
Hung over your little bed
And gazed upon your loving face
Until your spirit fled.

Golden I am so sad and lonely,
Since you have gone from me.
And it seems there is no pleasure
In this dreary world for me.
MOTHER.

Oftimes when gathered at our home
'Tis hard to realize he's gone.
His presence cheered and made us glad,
His absence leaves us oh so sad.
BROTHERS WM. AND CARROLL.

Golden's little chair is empty,
His clothes all laid aside,
And loving hearts are weeping
For the one we loved has died.
SISTERS DAISY AND MAY.

LOCAL NOTES.

THE bay fishermen have been catching plenty of Rock and perch the past month but the price has been low. From 60 boxes of fish only $300 was realized whereas ordinarily they would have brought $900.

A LARGE gasoline power-boat hailing from Pocomoke City was burned Wednesday. A man smoking a cigarette caused the gasoline to ignite and the loss resulted.

THE West Indes hurricane caused high tides in Kent this week.

KEIFFER pears are next on the market. Kent farmers have fine prospects, one man in Broad Neck expecting to have 10,000 baskets. Offers of 16 and 20 cents are being made.

THE young ladies of Christ M. P. Church, Chestertown, are arranging to have a chrysanthemum luncheon late next month or early November. It was this church that held the first exhibition in Kent and its success is well remembered. Last year there was no show, so that this year it is proposed to revive the beautiful custom. Particulars later.

A FAST PACER, of Denton, has been added to W. T. H. Whiteley's string of horses. Better look out for Will now, George.

LABOR in Kent is scarce and high. Farmers have been paying from $1.50 to $2 per day for cutting off corn.

BECK'S wharf consigned over 25,000 baskets of tomatoes last week.

SALISBURY is complaining of hog cholera in city limits. This city also has an epidemic of typhoid fever! Move the hogs.

NEW homes are being erected in Massey for Messrs. E. Thomas Massey and Clarence S. Hurlock. The former's is of brick.

ROBBIN'S Show arrived Thurday and gave the usual good show. A large crowd attended. Their last visit here was the night of the big fire and the valiant help rendered by the showmen will not soon be forgotten. This was Robbins eleventh visit to Chestertown.

R. T. C., the noted Middletown "plow horse," won the Michigan $10,000 stake Wednesday in straight heats, best time 2.08¼. R. T. C. has now won five $10,000 stakes this year, one $5,000 and in addition one purse event. In only one heat has he failed to lead his field to the wire—the third in the Furniture stake at Grand Rapids, when he was beaten by Belvasia.

W. A. BELL found a cap in his barn yard Wednesday night, and upon finding the owner, Emory Ford, also found one of his supposed chickens in the pot! Emory was scared away before getting many.

THE town officers and sheriff have made a raid on alleged "speakeasies" the past week. Steve Butler, Norman Carter, Parker Maize, Thos. Sunkett and Levi Ringgold, colored, were given a hearing Thursday before Justice Loud and held for action of Grand Jury.

ANOTHER public drinking fountain is offered Chestertown, provided the town furnishes water free. This will be gladly done, so that perhaps horses and dogs may be able to have their thirst slaked in the future.

Some Changes.—Mr. Harry T. Hoyle and family removed to Fairlee Monday. Mr. Hoyle has rented the Keyser-Barnes shops and will give the public his undivided attention. He is an artist in his line and we bespeak for him a successful sojourn in the county town. His family will be very much missed in town and will make quite an addition to Fairlee. Thomas is a "chump," while Pauline and Mildred are beliked by all who know them. Mr. Hoyle's place at Davis & Satterfield's has been filled by Mr. George Latham who learned his trade under Mr. Hoyle.

Mrs. Hopkins and daughters, from St. Michaels, have removed to Dr. J. Roy Micou's residence on College Hill. Misses Addie and Ethel Gale will make their homes with them and attend College.

Mr. Fred S. Russell has rented the Hubbard house on Front street, now occupied by Mrs. Carrie Wroth, and Mr. David B. Kendall will take the house on High street now occupied by Mr. Russell, for next year.

Mr. J. Hall Denny and family will occupy the Reiche home on Front street.

Wedding Notes.—Mr. and Mrs. J. Ellis Porter, of Church Hill, announce the marriage of their daughter, May Ellis, to R. Irving Catlin, in St. Luke's P. E. Church, Tuesday, September 19, 1911. They will make their home at 3016 Belmont avenue, Walbrook.

Rev. S. S. Hepburn, the rector, performed the ceremony. The bride wore a traveling dress of dark blue cloth and hat to correspond, and carried Bride roses. Her only attendant was Miss Genevieve Hall, who wore a white dress, with black picture hat, and carried white roses. The best man was Mr. John Erickson, of Baltimore.

Mr. R. Hopper Smith, aged 72 years, and Mrs. Margaret C. Bailey, aged 68 years, both of Smyrna, Del., eloped to Philadelphia, on August 31, and were married by Rev. Henry M. Myers. The groom was a widower, his previous wife being Mrs. Francis Bradbury, formerly of Elkton.

The marriage of Miss Mary Genevieve Baden, daughter of Mr. and Mrs. Robt. E. Baden, of Baden, Md., and Mr. Grover C. Sutton, of Spirit Lake, Idaho, took place August 22, at St. Paul Church, Baden, Md. Both Miss Baden and Mr. Sutton, were well-known around Chestertown and vicinity, they having been students at Washington College, while Mr. Sutton lived in Kent county, until four years ago. After a short stay at Niagara they left for their home in the West, where Mr. Sutton is electrical engineer for the Panhandle Lumber Co.

Mr. Herbert G. Chrisfield, of Locust Grove, was married to Miss Dora Bessel Wednesday afternoon at the home of the bride, 1225 Cleveland street, Baltimore. Rev. George W. Miller, pastor of Second English Lutheran Church, of which Miss Bessie is a member, performed the ceremony. The couple left for Locust Grove.

The Messyx singers will be at Still Pond Church every evening next week. Their singing is great. You can't afford to miss hearing them. Service will begin at 7.30 Sunday morning, Sept. 24th. The pastor will be assisted by a member of the conference.

The Asbury M. E. Sunday School, Millington, will observe Rally Day Sunday, October 1. Parents are urged to come with their children to this service. We would suggest that any who appreciate the service and interest taken by loved ones (as father, mother, teacher or friend) in years gone by, would show that appreciation by a contribution, known on Rally Day as a "Memorial Offering," for the benefit of this school that it may continue to flourish and be a blessing to the community.

Improvements.—The Hoyle house on High street, purchased by W. R. Maul and sister, is undergoing a complete change under Frank E. Duyer's direction. The back building has been torn down, the front part turned around and used as a back building, and a new front building will be erected with roomy porch, etc. Mr. Maul and sister will occupy same.

Mr. Frank E. Duyer has begun the erection of a fine residence for Mr. Rumsey Anthony across the river on his farm. It will be nearly a counterpart of the house now being erected on Queen street. Rumsey is an up-to-date young farmer and is greatly improving his whole property. A large hot house was built there last winter, and now comes a home. What next?

REGISTRATION DAYS this year are Tuesday, October 3rd, and Tuesday, October 10th. On Tuesday, October 17th, the Boards of Registry will sit for revision only and no new names can be added to the list of qualified voters that day.

Fish Hawks.—Col. Oswald Tilghman, of Easton, advances a theory as to why the trees upon which fish-hawks build their nest invariably die after a few years. Some have said that it was from the drippings of salt water from the bird and fish, and this idea has been generally accepted. But Col. Tilghman gives as a reason that the fish-hawks make their large nests of dead sticks, and these are filled with small ants which, taken up into a tree, at once begin to feed upon the live bark and leaves, and in time destroy its life. As their nests are often very large, there is every reason to believe that they can hold any amount of these ants, capable of doing a deadly damage to the largest trees.

Victor Fine Ground Limestone

THE BEST WAY TO LIME: The United States Government and the Pennsylvania Agricultural Experimental Stations are now recommending Finely Ground Limestone as the best way of applying Lime to the soil. It does not destroy manure, there is no danger of burning your crops, it keeps for years, and can be applied at any time or season.

EASIEST AND CHEAPEST TO USE Comes packed in canvas or paper bags. Can be easily handled, and kept in storage indefinitely, without change or loss. No more laborious slacking, no more choking dust, nor scalding burns. Can be drilled into the soil, or sowed on the surface and harrowed in. Saves half the cost of the old way of applying Lime. Is cheaper and better.

GIVES MAXIMUM RESULTS It has been proved that very Finely Ground Limestone produces, as a fertilizer, the same results pound for pound as air-slaked Lime, or any other commercial fertilizer, and because VICTOR Fine Ground Limestone is the purest, most Finely Ground Limestone on the market, and because it destroys no manure or crop, it gives much better results than any other burned or hydrated Lime made.
