Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

BIG DEMOCRATIC MASS MEETING

Large and Enthusiastic Crowd Greet Goldsborough and Judge Covington.

The Democratic Mass Meeting held in the Lyecum Tuesday evening last, was largely attended, every available space being occupied and many could not get in the building. The speakers, T. Alan Goldsborough and Judge Covington, made stirring and convincing arguments for the League of Nations and why the Democratic candidates should be elected. They were loudly applauded and much enthusiasm was manifested by the crowd that heard them. They spoke of the Republican propaganda going the rounds and asked the voters not to be deceived by it. The League of Nations being the important issue in this campaign, was explained to the satisfaction of those who were present. People came from all parts of the county and seemed well pleased and satisfied with what they heard.

Kent County Exhibit Next Week—On the supplement of the Transcript this week will be found the full premium list of the Kent County Agricultural and Health Exhibit. This exhibit will be held on November 5 and 6 at the Chestertown High School and the admission is free. Exhibit will be open from 9 a. m. until 10 p. m. daily. County Agent Derrick has charge of the same, assisted by a large committee of Kent County ladies and gentlemen.

To vote the full Democratic ticket it is only necessary to make three X marks—one after the names of Cox and Roosevelt, one after the name of John Walter Smith and one after the name of Thomas Alan Goldsborough. There are two amendments to be voted on also. If you want to vote for these amendments put a X mark in the square opposite the line, For the Constitutional Amendment. If you want to vote against the amendments, put a X mark in the square opposite the line, Against the Constituional Amendment.

Services for Sunday Oct. 31, at Chesterville: S. S. at 10 a. m.; preaching at 11 a. m.; evangelistic services at 7.30. Subject of sermon, "The Beauty and Meaning of Redemption. Millington: S. S. at 2 p. m.; preaching at 3 p. m., subject of sermon, "Man's Need of Sipritual Friends."

—The Water Board had the drinking water of Chestertown analyzed this week and the analysis showed the water in excellent condition.

Do you actually know what stock will hold its own, what real estate will improve in value, what mortgage investment will leave behind you a dependable, adaptable, and easily regulated income after your death?

No, because you are not a prophet.

If you invest in a life insurance company whose investments are the strongest possible, you get the highest degree of usefulness combined with the highest degree of security. You add personal protection to corporate protection. You insure both yourself and your insurance.

WASHING MACHINES

The greatest labor saver that has been invented for household use. We have been selling for one year the

MAYTAG

line of washers. We did not just buy this machine on sight, but after looking into the various makes of washers and trying to find the most substantial and complete. On account of our inability to get prompt shipments up to this time we have not advertised them very extensively, but we have sold enough of them to have just that many satisfied users. We are carring this in the Electric.

The Multi-Motor, which has the engine built with the machine.

The Power wachine, which is made to be used with any kind of Belt Power.

The Hand Machine which can be operated by a child.

It will be our pleasure to demonstrate to you the practical use of this machine.

Come see them on our floor, or have one brought to your home if you like.

Yours to serve,
