HOW DO YOU LIKE HER SHOES, GIRLS?

This is the latest in footwear—a modification of the Russian boot. The new footwear is seen only on the flapper, who in summer time, simply must have something to take the place of the unlatched overshoes.

Uncle John's Josh

PROTECT YOUR EYES FROM GLARING SUNLIGHT

Weak eyes are often seriously injured in summer, by exposure to bright sunlight, especially when near the water.

You can protect your eyes by wearing suitable glasses of restful color. You'll find such glasses also a wonderful comfort, as well as a real protection.

Before you go away for the summer, think about your eyes and come in to see us.
