A Warm Bathroom

PERFECTION SMOKELESS OIL HEATER

Every mother should be careful that the children take their baths in a warm room. The chill of a cold room is dangerous after coming out of the hot water.

A Perfection Smokeless Oil Heater brings bathroom or bedroom to just the degree of warmth you want in five or ten minutes. All you have to do is to touch a match.

The Perfection Heater burns nine hours on one filling and is always ready for use. You can move it anywhere it is needed. There is no waste of fuel and heat warming unoccupied rooms. Just the heat you want, when and where you want it.

The Perfection is fitted with an automatic-locking flame spreader that prevents the wick being turned high enough to smoke and is easy to remove and drop back when cleaning.

Drums finished either in turquoise-blue enamel or plain steel; light and ornamental, yet strong and durable—suitable for any room in any house.

KENNEDYVILLE NOTES.

The new dwelling of Mr. Rich'd Haggerty is being rushed to completion. The sides are finished and the roof will soon be completed.

New cement pavement has just been lain opposite Mr. Miller's home, thus completing the continued splendid sidewalk all the way from the postoffice to the Presbyterian Church. This is a wonderful improvement to our village.

Mr. Benjamin Dill is expecting to thresh the balance of his wheat this week. Our farmers will soon have all their corn gathered.

We understand that Mr. W. M. Clendaniel, who has been under treatment in the Kellam Hospital, of Richmond, Va. for the past six weeks, is expected home this week. His letters to his family and pastor since being in the hospital have been very hopeful and he has been doing splendidly. His numerous warm friends rejoice to know that the treatment, under the specialists of the above named institution, has been entirely successful.

Mr. Mullineaux, pastor of the M. P. Church, was from home the greater part of last week visiting a brother in Howard county, Md., who is ill.

Miss Ola Bidwell, baritone ballad singer, concert violinist and reader, gave one of her charming entertainments in Weer's hall on Friday evening of this week, the 24th. The entertainment was under the auspices of the Kennedyville Ladies' Aid Society.

Next Sunday will be Harvest Home day in the Kennedyville M. P. Church, when the audience room will be beautifully and tastefully decorated with vegetables, fruits, grain, flowers, flags and other decorations in harmony with the festal occasion—a feast of Thanksgiving. Special music will be a feature of the happy occasion, both instrument and vocal. A Harvest Home address by the pastor. The church will be open all day Saturday for the reception of the people's "First Fruits," and it is hoped that all may take advantage of the occasion to show their appreciation of God's goodness in the large harvests of the year. All are solicited to bring something to make the service a Thanksgiving offering.

The third quarterly conference for the Kennedyville M. P. Church will be held Saturday morning of this week at 9.30 o'clock. A full attendance is solicited by the pastor.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. **Swamp-Root** corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

M. A. TOULSON.

BACK TO ELKTON AND TO WORK

Upon the Expiration of His Term as Chief Executive of the State He Will Resume the Practice of the Law Just as Though Nothing Had Occurred—His Future in Politics.

Governor Crothers has dispelled all rumors regarding his future by announcing that upon the expiration of his term of office in January he will return to Elkton and will resume the practice of law just as though nothing had happened. This announcement dispells all rumors that he will take up his residence in Baltimore, that he will practice law there, that he will take a hand in Democratic city politics, or that he will make connection with a national bank there.

If the Democrats succeed in their plans as advocated by the Governor, to retain control of the State Roads Commission, he might consent to accept a position as an honorary member of the commission in order that he may be able to carry through his ideas and plans in regard to public road improvement. He will not consider the suggestion that he become a candidate for chief judge of the Second circuit two years hence, when it will be necessary to select a successor to Judge James Alfred Pearce. He has had his experience on the associate bench. He did not find the life congenial, and four years ago, when it was necessary to elect his successor for a full term of 15 years, he made it known that he would not be a candidate for the nomination. This was before his nomination and election as governor.

That the Governor will continue his political activity there is no doubt.

When the Governor returns to private life he will be in better financial condition than he was when he went to Annapolis, though he will still be far from being a rich man. The Legislature appropriated $5,000 annually for his household expenses. His salary as governor has been $4,500. As his living expenses were provided for outside his salary, and as his is a frugal life, it is generally believed that he has been able to save money as governor—a feat which no other governor since the days of Governor Lyon, in the 50's, has been able to accomplish.
