AS TEDDY JR SEES IT

Editor's Note: The recent triumph of progressive Republican candidates in various states and upset of other Old Guard leaders brought forth the following comment from Theodore Roosevelt, Jr., Assistant Secretary of the Navy, when approached by the Washington representative of this newspaper:

I AM delighted with Gifford Pinchot's victory in Pennsylvania.

It indicates a general trend toward progressive ideals. In this connection, however, it is necessary to bear in mind that since 1912 lines are blurred considerably on progressive policies.

For example, a very large part of the 1912 progressive platform has already become the law of the land. In this, woman suffrage is a specific incident.

There are times, however, when a farmer seeks reliable information.

At such times—at all times, in fact—the facilities of this bank are at the disposal of our farmer-friends.
