GIVING OUT

The Struggle Discourages Many A Citizen of Chestertown

Around all day with an aching back,
Can't rest at night;
Enough to make any one "give out."
Doan's Kidney Pills are helping thousands.
They are for kidney backache;
And other kidney ills.

Here is Chesterotwn proof of their merit:

John R. Hadaway, chauffer, 700 W. High St., says: "I can give Doan's Kidney Pills the highest praise. They have never failed to straighten me up whenever my kidneys troubled me. The jolting of the truck is trying on the back and kidneys and at times I suffered so with my back that I could hardly straighten up and often came home at night tired out and nervous. The action of my kidneys was irregular. Colds made the trouble worse. I used Doan's Kidney Pills from Sterling's Pharmacy and they soon put my kidneys in good shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hadaway had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Brings Far Friends Near

What difference does distance make when you have a telephone?

It matters not that a dear friend is in the next county—or even in the next state.

The telephone makes any distance talking distance.

Keep the ties of friendship close. Use the long distance telephone service.

The rates are very reasonable.

Why not take a telephone trip tonight—after 8.30 P. M.—when the station-to-station rates are reduced about one-half?

Ask your operator the rate to any place.

Locust Grove Clubs

The first open meeting of the Boys' Agriculture Club and the Girls' Junior Home Makers' Club was held May 1, 1921. The president of the Boys' Club acted as chairman during the meeting, which was called to order by singing "Maryland, My Maryland." We then had the roll call of both clubs, to which all members responded. The minutes of both clubs were then read and accepted. There being no further business, we had our literary program, which consisted of the following: opening song, "A Vacant Chair"; recitation, "A Fable," by Annie Long; recitation, "The Wonderful World," by Howard Hessey; club songs; recitation, "Why Johnny Left the Farm," by Edna Beasten; "Talk on Chickens," by Catherine Comly; reading, "The Club Boys' Creed," by George Handy Sutton; club song; recitation, "Why Boys Leave the Farm," by Levin Comly; recitation, "Sewing," by Elizabeth Sutton; talk on potatoes by James Lusby. We then enjoyed a talk by Mr. Derrick; recitation, "The Trouble With School," by Luther Long; reading, "How A Farmer's Wife Earned a Dollar," by Elizabeth Beasten; we then had a talk by Miss Hill, which was enjoyed by all. Our program was closed by singing "America."

There were fifty-one present, thirty-four being visitors. Our program was made by the boys and girls, with the help of our teacher, Miss Crew. Miss Crew helped us arrange for our meeting because it was the first open meeting we have had. All the club members enjoyed the day as much as anyone. After this we served cake and lemonade. Signed.
