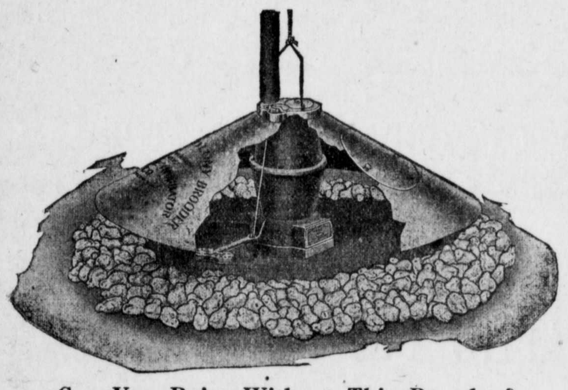
NOW WHAT?



Can You Raise Without This Brooder?

Chicks just hatched represent a considerable investment of time, care and money. The return always depends on the number you raise. To secure that return, and make your investment pay, you need a

Standard Colony Brooder.

You may see this brooder demonstrated by calling upon us, and we will give you proof of every assertion that no brooder on the market is as good as the Standard Colony Brooder.

Capacity 1 to 1200 chicks.
