DEATHS

Emily A. Woodall, wife of the late J. F. M. Woodall, died on Wednesday, the seventh, at her home in Georgetown. The funeral services will be held at her late residence, Georgetown, Maryland, on Saturday morning, March, 10th at 11 A. M.

Mr. John Edward Thompson, youngest son of the late John and Jane Thompson, of Still Pond, died at his home in Philadelphia on last Monday night after a short illness of heart trouble, aged 54 years. Remains were brought to Still Pond on the evening train on Wednesday and rested at the home of his sister-in-law, Mrs. Emma Thompson. Funeral services were held on Thursday morning at ten o'clock, Rev. R. P. Nichols, officiating. The bearers were the six nephews of the deceased. Interment in Still Pond cemetery. Undertaker, W. H. Krusen.

Mrs. Elizabeth Long Willis, 65 years old, wife of T. N. Willis, died Tuesday at Lacey Spring, Rockingham county. Survivors are two sons, Magistrate T. A. Willis, Harrisonburg and O. N. Willis, Lacey Springs; one brother, Stuart Long, a sister, Miss Arbelia Long. Mrs. Jas. P. Parrott is a niece of the deceased.

The infant son of Frank V. Simpers and Mary C. Simpers died Wednesday, March 7, 1917, aged 3 days. Interment in Chester cemetery, Rev. J. L. Ward officiating; C. L. Dodd, undertaker.

MISS TINGLING addressed a fair audience in Christ M. P. Church Thursday evening on the educational side of the temperance question—the economic. She was introduced by that beloved soldier of the cause, Mrs. T. Shafer, in a most appropriate manner. Special music was furnished by the combined choirs, including a quartette and solo by Miss Hallie Toulson. The church was beautifully decorated for the occasion. Miss Tingling spoke at the High School yesterday morning.

Top Dress Your Wheat and Grass

It is the experience of a great many farmers who have top dressed Wheat with a special top dresser Fertilizer, that it not only makes a larger yield, but produces a better quality af grain and insures a good catch of grass and clover.

The readily available plant food in our top dresser Fertilizer gives the young Wheat a splendid start and enables it to send out strong vigorous roots and the increased yield in consequence is marvelous.

We are manufacturing for this purpose a Special Top Dresser Fertilizer that contains some Nitrate of Soda, Fish and Dissolved Bone, the price of which is $26 per ton and an application of 150 lbs. to the acre would only cost about $2 the acre the result of which would prove to be eminently satisfactory.

A few years ago one of our customers claimed that an increased yield from an application of 200 lbs. was thirteen bushels more Wheat and when you think of the present price of Wheat, it certainly would pay handsomely. Mr. James T. Dixon always top dresses his hay crop and says that it certainly pays him.

If therefore you want a substantial and profitable increase in the yield of your Wheat, or to greatly increase your Hay crop, be sure to apply some of our Top Dresser as early as possible in February.

Yours respectfully, THE PEERLESS FERTILIZER CO. Chestertown, Md. feb3 tf

STORE AT MELITOTA BURNED

The store and dwelling at Melitota, owned by Mrs. R. Grollman and occupied by Aleck Grollman and family, were burned early Thursday morning. A tenant house adjoining, owned by John Hammond, colored, was also destroyed by fire.

Mr. Grollman's family were awakened by the baby and barely escaped in their bare feet. They went to Mr. John Moffett's, where they were well cared for, while Mr. Lieberman and family also looked after their needs.

The property was insured for $1500 in companies represented by the Messrs. Beck. The total loss will be about $3,000. Neighbors and friends saved adjoining property.

FARMER KILLED BY TRAIN

Driving in front of the north-bound Pennsylvania passenger train at Barclay Tuesday morning, Jesse Philips, a widely known farmer of Queen Annes county was instantly killed when his buggy was struck by the locomotive at Roe's crossing, near Barclay.

Mr. Phillips was unable to see the approaching train because of driving on a road parralleling the railroad track before reaching the crossing. It is said he did not appear to hear the warning whistle.

He was 55 years old and is survived by a widow and three children. His horse was also killed.

Notwithstanding the inclement weather of last Saturday a goodly number of members of Still Pond Grange were present at their regular meeting on that day and a most interesting meeting enjoyed by all present. This Saturday promptly at 2.30 the Grangers are requested to be in their places for at 3.30 the lecture hour will be open to the public and matters of timely interest to the farmer and farmer's wife will be discussed. Come one and all—help and be helped by a free interchange of ideas.

THE Delaware House of Representatives has passed a bill 23 to 8 prohibiting the manufacture and sale of cigarettes. Arkansas took the same step last week. Who says America is not waking up?
