NEW PROGRAM PROJECTED

Dr. C. E. Burts of South Carolina Named General Director—Dr. McDaniel Heads Convention.

Dr. GEORGE W. McDANIEL, New President Southern Baptist Convention.

Up to May 1 Southern Baptists had contributed in cash on their 75 Million Campaign, the five-year program for the extension of their general missionary, educational and benevolent work, the sum of $53,832,852.79, leaving a total of $21,167,147.21 to be raised between now and the end of 1924 if the original goal of $75,000,000 is attained, it is announced by the general headquarters.

When the status of the Campaign was reported to the Southern Baptist Convention at its recent session in Atlanta, the Conservation Commission was instructed to lay plans to complete the raising of the $75,000,000 by the close of the present calendar year in order to clear the way for another forward program that will claim the support of the denomination during 1925.

Dr. L. R. Scarborough, general director of the Campaign, has been called back to Nashville to lead in the task or raising the $21,000,000 additional needed to complete the Campaign goal. He will undertake with the assistance of the various state and associational boards, to effect an organization that will enlist every Baptist church in the South, representing a combined membership of 3,500,000, in a definite share in the completion of this forward program.

Approximately 6,000 messengers from every state in the South attended the Atlanta session of the Convention and the entire body voted unanimously to get behind the effort to raise the full amount of money needed to complete the Campaign.

Where Money Came From

Here are the sources from which the $54,000,000 collected so far on the Campaign has come: Alabama $2,429,331.08; Arkansas $2,022,747.90; District of Columbia $256,257.91; Florida $883,408.96; Georgia $4,878,524.26; Illinois $629,736.03; Kentucky $6,036,800.32; Louisiana $1,451,985.84; Maryland $666,716.61; Mississippi $2,739,706.78; Missouri $2,249,746.14; New Mexico $648,816.26; North Carolina $4,511,014.81; Oklahoma $1,349,086.42; South Carolina $4,327,974.09; Tennessee $3,746,261.52; Texas $8,171,762.80; Virginia $5,733,141.33. Specials: Home Board $15,340.00; Foreign Board $86,103.00; raised by foreign churches and expended by them on work there $1,003,390.68.

Future Program Authorized

At the same time Southern Baptist forces will be completing their 75 Million Campaign they will be launching the next program to follow the Campaign. At a session in Nashville the Commission on the future program designated it as "The 1925 Program of Southern Baptists" and elected Dr. C. E. Burts of Columbia, S. C., as general director, and Frank E. Burkhalter, Nashville, publicity director. The canvass for subscriptions for the 1925 budget, which will be for at least $15,000,000, will be taken in the local Baptist churches the week beginning November 30.

Dr. George McDaniel of Richmond, Va., is the new president of the Southern Convention. Actions by that body include the taking over of the Southwestern Baptist Theological Seminary at Fort Worth, Texas, decision to defer for a year any action looking to a reorganization of the work of the general boards of the convention, instruction to the Education Board to continue negotiations looking to recovery to the Baptists of George Washington University at Washington, decision to give larger consideration at next year's session to the interests of the country churches, and the adoption of a vigorous protest, which will be forwarded to the president and secretary of state at Washington, against the persecution of Baptists in Russia and Rumania.
