MEETING URGES PREPAREDNESS

The meeting called by the committee, appointed by Governor Harrington to take a census of the male population of Kent county in the event of war, so that their services might be had in case a draft of the country was made, was held at the Court House on Monday afternoon and a small crowd was present. The following resolutions, regarding preparedness and universal military training were passed:

"Resolved by the citizens of Kent county assembled in response to the call of the County Census Board, appointed by Hon. E. C. Harrington, Governor of Maryland:

"First, that the honor and safety of the country demand that immediate and vigorous preparation be made for the vindication of American rights and the protection of American lives upon the high seas, as well as for the preservation of those principles of justice and humanity upon which alone the security of the world must rest

"Second, Resolved, that it is the imperative duty of Congress to enact without delay, a bill for Universal Military Training and for universal service in time of actual war, and to declare to the world the unalterable determination of the American people to maintain their rights and their honor in the family of nations at all costs.

"Third Resolved, that a copy of these resolutions be communicated immediately to Senators Smith and France and to Representative Jesse D. Price of the First Congressional District of Maryland."

Regarding the taking of the census of the county, the following resolutions were passed:

"Whereas, at a mass meeting of the citizens of Kent county, called to take action upon the crisis that confronts our state and nation, the various aspects of the situation were considered and it was unanimously

"Resolved, that the governor of this state be requested to immediately call in special session the General Assembly of Maryland in order that provision be made for paid census takers throughout the counties of this state; and that provision be made for the arming and equipping of Voluntary Military Companies throughout the state; and that all such steps be taken for organizing the resources of the state as the exigencies of the situation demand."

Rev. S. S. Hepbron was chairman of the meeting and Mr. W. B. Copper secretary.

The following made short addresses: Messrs. H. H. Barroll, H. W. Vickers, James W. Cain, R. Hynson Rogers, H. C. Willis, W. G. Smyth, J. D. Urie, A. Parks Rasin, S. S. Hepbron.

Ex-Judge J. A. Pearce drew up the first petition and J. D. Urie, Esq, and Dr. James W. Cain the second.

Should war be declared, Kent county will be called upon to furnish its share of men to make out the full strength of the Army and Navy. If sixty-five men from one section enlist, they can go as a unit, we understand. Regarding this matter, Dr. H. L. Lemen, of Chestertown, suggested to the committee in charge of the census of Kent that the following petition be submitted to the ones who wish to volunteer:

"In event of (response to) a call for Volunteers by the President (Governor) we, the undersigned citizens of Kent county, of military age and qualification, offer our services in a company of the 1st Md. Regiment to be organized in this county.

"We offer our service in this manner in order that enlistment may be facilitated and that we may preserve our integrity as a unit for Kent County.

"This is to serve also as a part of the petition to the Adjutant General of the State for membership in the State Militia and for State aid."

HOPKINS WINS FIRST GAME

Johns Hopkins defeated Washington College, 7 to 6, Saturday afternoon at Homewood in the opening game for both teams. Except during the first and last innings, the contest was as pretty a pitchers' battle as could have been wished.

Wallace, the first man up for the Eastern Shoremen, reached first safely on an error by Worthington, and Frampton, on an error of Noble, also was safe. Sieders flied to Howell. Errickson drove out a two bagger, scoring Wallace and Frampton, and W. Wallace lammed a homer to deep left. McGinnis and Davis were easy outs. Result, 4 runs.

Then Hopkins came and made seven runs. Such a beginning was too much for both clubs, and not another run was scored until the ninth inning. The Shoremen hit Wasserman quite frequently, but the bingles were scattered and netted nothing.

Robbins, of Washington College, was safe on an error at the beginning of the ninth. Brown fanned, but F. Wallace made his third hit of the game. Worthington and Hobbs took care of Frampton. Sieders singled, scoring Robbins, and Wallace scored on Erickson's hit. The Washington College rooters, infused with new life, began to grow frantic, but W. Wallace, of home-run propensities, lifted a long and easy fly into Egerton's hands.

Worthington, although charged with one error, played a fine game and covered lots of ground. Wassermah was nervous at first, but recovered after Hopkins got the lead and went along without wavering until the rally in the ninth, which was checked in time. Wasserman pitched for Hopkins and Brown for Washington striking out six men.

The college team was F. Wallace, ss; Frampton 1b, Sieders 3b, Erickson lf, W. Wallace 2b, McGinnis rf, Davis c, Robbins cf, Brown p, Caldwell rf.

Washington should have won this game, as she made 12 hits and Hopkins only made 4. Hopkins got all the breaks.

An Appeal to All Patriotic Citizens of Kent County

The undersigned Committee, appointed to secure the names of all citizens between the ages of 18 and 45, in accordance with the call made by the Governor for enrollment of such citizens, appeals for volunteers to help them in this work.

There is no fund out of which those who render this service can be paid. It will be a voluntary yet patriotic duty for each citizen in the County to give this Committee all information in his power.

We especially appeal to all Teachers and School Trustees in Kent, white and colored, to give us the list of names in each school district. If desired all information will be held in strict confidence. We suggest that each citizen regard himself as a member of our Committee and aid us in the work.

All replies may be addressed to the Chairman, but those who desire to do so may write to any individual member of the Committee, and such letters will be treated as confidential.

Wood's Seeds

100-Day Velvet Beans.

This new Velvet Bean is rapidly forging to the front, both as a forage and soil-improver. At the low price at which these can be secured they are really the cheapest of summer forage and soil-improving crops, and their use is likely to increase to a very considerable extent in the place of cow peas and soja beans. We strongly recommend their more extensive use.

We are headquarters for
Velvet Beans, Cow Peas, Soja Beans, Millet Seed, and all forage and soil-improving crops.
