THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

Savings Depositors

We pay Four Per Cent compound interest to all our savings depositors.

We paid $43,059.94 in interest to our savings depositors during the past twelve months.

The rate we pay is at once profitable to you and absolutely SAFE, a combination of qualities that should be attractive. If you have moneyto invest you'll be tempted with promises of much higher rates of income, but with them (as a rule) will always go the chance of loss. Be on the safe side.

POINTS OF A SAVINGS ACCOUNT

1.—Money on deposit is more readily available for any emergency than when invested in other securities.

2.—You can get the full amount of your depoists plus all the interest they have earned. Unlike many other investments, a savings account doesn't fluctuate in cash value.

3.—If you need some money you can withdraw a part of your account without losing the interest on the balance. You can get the cash you need without having to go to the trouble of making a new investment.

4.—Your deposits with us are entirely safeguarded by the financial strength of this institution, which we are prepared to prove to you.

5.—There is no worry about collecting the interest and it is easier to save the interest when it is simply credited in your pass book to your savings account.

6.—You can start your investment in a savings account with us on any business day.

We will also handle your active or checking account to your entire satisfaction. Call and see us.

Very respectfully,

DEATHS

Kent county lost a valuable citizen last Saturday, when Mr. J. William Newton,of Locust Grove, died in a Baltimore hospital of cancer of the stomach. Mr. Newton went to the hospital for an operation, but physicians found it was useless. He leaves two brothers, Mr. Edward Newton, of Chestertown and Mr. Christopher Newton, of Cecil. Also one sister, Mrs. Wooleyhand, of near Cecilton, Cecil county, Md. He was one of the most successful farmers in Kent and a few years ago he purchased the Black farm for $50,000 and he and his son successfully tilled it. His wife and three children survive him. He was well known in grange work and agricultural work and leaves a wide circle of friends.

Mr. Newton was born in Cecil Co. and moved to Kent. He was a member of the Methodist Church at Kennedyville.

The remains were brought to his home near Locust Grove on Saturday, Aug. 12. Funeral services were held at his late residence on Sunday, Aug. 13, at 2 p. m., Rev. Wooden, of Kennedyville, officiating, interment in Galena cemetery.

The pall bearers were J. C. Redmile, Robert R. Hill, R. A. Kennedy, Howard Clendaniel, Wilber Morris, Elwood Morris. Undertaker B. R. Fellows.

James E. Taylor, a well-known farmer of Kent County, died suddenly on Saturday afternoon at his home on the Edward Woodall farm, at Lambson Station, aged 64. The deceased had been to Galena on business, arrived home in the afternoon and went into the barn. At 5 p. m. he was found in the barn lying on the floor dead. He had been a sufferer from heart trouble for some months. He leaves a widow and seven children. The funeral took place Tuesday, interment in Galena cemetery, Rev. G. E. Sterling officiating.

Benjamin F. Moffett died at Golt's August 6 of heart trouble, aged 65 years. He was born and raised in Kent county and for a number of years was in the milling business in both Kent and Queen Anne's counties, but for the last 15 years he drove R. R. No. 2 from Golt, which takes in Massey and Galena. Besides his widow, he is survived by seven sons, E. F., G. H., J. W., B. F., J. J., J. N. and N. L. and one daughter, Miss Georgia; also two brothers and there sisters.

Had Narrow Escape

Miss Margaret Crew, daughtr of Mr. James T. Crew, and Miss Mary Harris, daughter of Mr. James G. Harris, of Betterton, had a narrow escape from death yesterday afternoon when the automobile in which they were riding collided with the freight train at Still Pond Station crossing. The young ladies were thrown from the machine, directly against the locomotive, and both were painfully bruised, but not seriously injured, it is learned. The auto was almost completely wrecked.

Speakers Of Interest To The Kent Co. Farm Home

The Second Annual Farmers' Day Picnic of Kent County will be held at Washington College on Wednesday, August 23. The Kent County Council for Home Demonstration Work, in cooperation with the University of Md. Extension Service have arranged to have Miss Grace Frysinger, of the Department of Agriculture to speak in the interest of the farm home. Miss Frysinger will talk in the afternoon. All Kent County women should hear her.

The program committee have also arranged to have Miss Engle, of Baltimore, talk at 10 a. m. in William Smith Hall. Miss Engle is a most splendid speaker. It was Miss Engle, who planned the Pan-American meeting in Baltimore last spring. The meeting will be of interest to men as well as women. Her subject will deal with "Citizenship."

Aside from these splendid speakers, every Woman's Club is requested to get the members and their families together and have a community picnic. We should have at least eight community gatherings on the campus. Bring your lunch and have a real old-fashioned picnic.

Big Peach Orchard In Talbot Ruined

With the best peach prospect in years, with fruit as perfect as it is possible to grow, with trees loaded with choice fruit, and with pickers and packers on the job, a hailstorm, extending about two miles in width and three miles in length, struck the orchard of Wm. Mason Shehan, in Talbot county, recently and in ten minutes time wiped out his crop and inflicted a damage estimated to be from $10,000 to $15,000.

An inspection of the trees showed the peaches on each tree to be bruised and split by the heavy hailstones. Only three cars had been shipped when the storm came, and it was a problem to know what to do with the tons of delicious fruit, perfect in all respects save the bruise from hail.

This convulsion of nature in Talbot brings to mind a similar event in Kent a little over a year ago, when a great wheat belt of this county and the entime shore, was torn to shreds by hail.

Mr. S. D. Daley of the Editorial staff of the Baltimore Sun, is the guest of Dr. and Mrs. C. H. Hughes of Chestertown. Mr. Daley is the son of the late C. F. Daley who was connected with the Baltimore Sun for many years, and was one of the most popular newspaper men in the state.
