American Fence

We have a liberal supply of all sizes of Field and Garden Fence on hand, and because of an early purchase of several car loads, we are able to make you reasonable prices—much lower than we could make if we had to make purchases to-day. If you intend to do ANY FENCING this year now is the time to buy, as there is no possibility of prices being any lower this year.

Poultry Netting

That well galvanized, heavy "Jersey" Netting is the lasting kind. When you need more it makes you come back o get the same kind.

Can It Be Possible

that you are going to put in a Corn Crop this Spring without Fertilizing it? Don't you believe that Corn requires plant food as well as any other crop? And when you consider the price of Corn today at $1.35 a bushel and that you can fertilizer an acre for less than $2.00 it would pay you not only in the increased yield of Corn but in the Fodder alone it would be profitable. Think about this and consult us in regard to our Special Corn Fertilizer that is particularly adapted to this crop.

For Tomatoes

Well, you have heard of our Tomato Fertilizer. It is a wonder and we confidently believe that we sell more Tomato Fertilizer than any other manufacturer in this country. We do not mean that we sell more Fertilizer, but more Fertilizer for Tomatoes.

Our Fish Mixture is particularly adapted to the growth of tomatoes and in this goods we derive the Phosphoric Acid from the Fish, Rock and Bone and the Ammonia from the Animal matter on the Animal bone, Nitrate of Soda and Fish.

In order to grow a profitable Tomato crop it is necessary after you transplant the Tomato vine that it should never stop but keep growing, because if it gets stunted, it is like a stunted pig, it does not make a good hog, therefore the combination in our Tomato Goods feeds all along the line and never lets the plant stop growing and if there ever was a time when you ought to grow all the Tomatoes possible per acre it is now. Please correspond with us in regards to your Tomato goods.

Yours very respectfully,

GOV. HARRINGTON TO SPEAK HERE

Word was received here that Governor Harrington would address a mass meeting of citizens of this county in Chestertown at 11 A. M. Thursday in the Gymnasium at the college. Field sports will be suspended during the meeting.

He will discuss the conditions which confront this nation and specially the people of Maryland owing to the war. The Governor has been very active in the work of getting ready to meet the emergencies which this war has brought home to the American people, and is doing all in his power to bring home to the people the necessity of doing all that it is possible to do to protect their own interests. The raising of foods, their conservation after harvest the putting of the State in a position of defense and to render to the nation at large every help possible from Maryland in its life and death strugg e with the strongest military nation of this or any other age is the task imposed upon all true citizens of this State. Selfish interests must go and private enterprises not be allowed to interfere with national needs. This is the time when our country must have the first call upon our service and our resources.

IMPORTANT MEETING.

There will be a meeting of all the Charity Organizations at the Eastern Shore Inn in Chestertown on MONDAY AFTERNOON, at 2.30 o'clock. All who are interested in any Charity Organizations are urged to attend.

Governor's Commission:

A SERIES OF ACCIDENTS

Norman Crouch, manager of the Chestertown Laundry, accompanied by his helper, Harry Gardiner, while coming to town in his car Tuesday met with a bad accident. As he neared the Urieville bridge the car skidded off the State road into the sand causing the rear wheel to break and upsetting the auto. The car turned over twice and righted itself in three feet of water. Norman received a hurt back, the colored man a cut head and foot while the car was wrecked quite badly. A gypsy woman was the first on the scene and when Mr. Crouch regained consciousness he had his head on the lap of the stranger and she was doing all she could to restore him. Other help arrived and brought the men to town. They are both out but pretty badly shaken up.

Within a hundred yards of where his sister was almost fatally injured about two years ago, Walter Bennett, the seven year-old son of Mr. and Mrs. Harry Bennett, of Chestertown, had his leg badly broken on Sunday morning at 11 o'clock and is now in Easton Hospital. The lad was riding in the milk wagon of John N. Bennett, of near Still Pond, George White, colored, being the driver when the accident occurred. He slipped from the wagon, the rear wheel of it passing over his right leg directly in front of the home of Mr. and Mrs. Arthur Bacon. The injured child was taken into Mr. Bacon's home and Dr. H. G. Simpers sent for. Dr. Simpers did all he could for him and later carried him to Easton Hospital. His leg was badly broken, but under careful attention the doctors think his leg will be all right again.

Mrs. John E. Morris while at her household duties Tuesday fell and either broke or sprained her wrist. Dr. Smith is attending her.

A GREAT GATHERING

Do not forget the Annual Convention of the Kent W. C. T. U. to meet in Chestertown at Christ M. P. Church on Thursday May 31st.
