Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

Resolutions Of Respect

In the death of Mrs. Sallie A. Jess Betterton Methodist Episcopal Church, the Ladies Aid Society and a wide circle of friends have lost a most faithful member and a valued friend. As a member of the church and the Aid Society she was always closely identified with every plan for their progress and welfare, being actively engaged so long as physical health permitted. With flowers, words and kind deeds she showed the sweetness of her Christian spirit and the thoughtfulness of her mind and heart for everyone, and especially those in trouble and sorrow.

Therefore be it resolved, That we will cherish, with loving remembrance, her noble Christian life among us.

That we extend our sympathy and love to her children in their great sorrow; and commend them to the blessed Saviour who alone can comfort in our times of greatest loss, and

Be it also resolved, That a copy of these resolutions be sent to the bereaved children, a copy spread on the minutes of the Ladies Aid Society of our church and a copy sent to the county papers for publication.

MRS. HARRY W. OWENS, Sec.

DEATHS

The death of Mrs. Nellie Valiant, wife of Mr. E. Stephens Valiant, from tuberculosis, occurred Nov. 25. She developed this disease about six years ago and went to the southwest of this country for treatment and for a change of climate. She returned much improved, but in the last six months she has grown worse and continued to lose strength until the end came. She was in the 41st year of her life and was a native of Church Hill, moving to Centreville about three years ago. She was interested in both church and civic matters in both of her homes, and for years was an active member of St. Luke's P. E. Church, Church Hill. She is survived by her husband and five children. Interment was made in Church Hill cemetery.

St. Michaels P. O. Robbed

The postoffice and the office of the Building and Loan Association at St. Michaels were broken into some time in the early hours of Monday morning. The thieves forced an entrance through the large front window. After getting into the lobby of the building they, with the aid of an axe, pried open the door leading into the postoffice enclosure. They took six dollars from the money drawer, but failed to find $25 worth of stamps and other paper money in the drawer. The entrance to the Building and Loan office was through a window in the rear of the building. However, nothing was taken. No clue to the robbers has as yet been found, but it is thought that local people are responsible.

Forest Fires On Eastern Shore

While Kent has had no forest fires of any seriousness this year, our neighboring counties have been swept in several places. It may be well to call the attention of our hunters to the facts, that they may be careful not to start fires and then leave them to burn out and other like causes of fires. Our forests are one our great sources of wealth. Let us all help preserve them.

Forest fires took place in several sections of Queen Anne's last week and destroyed some valuable timber land. The tenant house on the Woodyard Farm, near Centreville, was destroyed Thursday night by fire that spread from a nearby woods, and on the farm of B. Clay Coppage, near Sudlersville, another woods burned. The big woods, near Starr, also was swept by fire during the week.

A woods fire, to which Elkton firemen were called recently, burned over much of a 75-acre tract of young timber on the Walnut Hill farm, near Providence, now owned by George M. and W. H. Evans. For a time the blaze menaced the buildings.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
