BIDS ON PAINTING AND SHINGLING SCHOOL BUILDINGS

Bids on painting and also bids on shingling the sides and ends of the Pomona and Broadneck school buildings are invited by the Board of Education of Kent County, Maryland, to be opened at their meeting to be held at 10.00 a. m., on Tuesday, September 6, 1927, in their office on the third floor of the Chestertown elementary school building.

Bids on painting are to be based on the following requirements: The base of the paint must be either Lewis' or Buck's white lead and pure linseed oil; there must be two (2) coats of paint the first, a slightly thin coat of lead and oil and the second coat to be pearl gray with white trimming; all material and necessary equipment for doing the work to be supplied by the bidder; and the work to be completed no later than October 15, 1927, if this method of repair is used.

They who bid on shingling the buildings mentioned are asked to submit bids on the plain shingle and also on a stained shingle dipped. All material and necessary equipment for doing the work are to be supplied by the bidder, and the work is to be completed by October 15, 1927. if this method of repair is used.

The Board reserves the right to reject any or all bids.

By order of the Board of Education,
Louis C Robinson, Secretary.

MR. FARMER

Do you know that within the past eighteen months the Maryland-Virginia Joint Stock Land Bank of Baltimore, through Wm. Frazier Russell, Jr., its attorney, has loaned to Kent County Farmers more than $90,000.00?

Do you know that you pay no bonuses or commissions to secure a loan through this bank?

Do you know that when you borrow $1000.00 you get a draft for $1000.00?

Do you know that every time you pay your interest you cut down the principal mortage indebtedness?

Your neighbors are getting "wise." It will cost you nothing to learn.
