Bids On Hauling School Coal

Bids on hauling all or any part of the coal supply for the public schools of Kent County, Maryland, will be opened by the Board of Education of Kent County, at their meeting to be held at 10:00 A. M., Tuesday, June 19th, 1928, in their office on the third floor of the elementary school building, corner of High and Mill Streets, Chestertown, Maryland. Any one interested in making a bid can find a list of the coal deliveries to be made to the various schools published in this paper under the heading "Bids on Coal and Wood."

All bids are to be mad e with the understanding that the successful bidder is to have as much as possible of the coal to be delivered at each school placed IN THE COAL BIN without damage to the buildings and is to bear the cost of cutting the coal back where necessary; that the coal which the bin will not hold is to be piled within ten feet of the opening of the bin and clear of the building; that the bidder is to pay for any damage to the building caused by the one delivering the coal; that the bidder is to pay all demurrage on freight cars that he fails to empty and release within the time limit allowed by the railroad company without charge.

Bidders are requested to inclose their bids in sealed envelopes marked "Bid on Hauling Coal" and to enclose these in other envelopes addressed to the Board of Education of Kent County, Chestertown, Maryland.

The Board of Education reserves the right to reject any or all bids.

By Order of the Board of Education,

LOUIS C. ROBINSON,
Secretary.

MR. FARMER

Do you know that within the past eighteen months the Maryland-Virginia Joint Stock Land Bank of Baltimore, through Wm. Frazier Russell Jr., its attorney, has loaned to Kent County Farmers more than $90,000.00?

Do you know that you pay no bonuses or commissions to secure a loan through this bank?

Do you know that when you borrow $1000.00 you get a draft for $1000.00?

Do you know that every time you pay your interest you cut down the principal mortage indebtedness?

Your neighbors are getting "wise." It will cost you nothing to learn.

Your Chicks
Deserve a Good Starter

You are staking your future poultry profits on your success with your baby chicks.

Their downy little backs carry all your hopes for a husky lot of pullets and a profitable flock of layers.

Help them reach the goal you've set for them. They deserve the very best of feed and care.

Feed them Larro Chick Starter.

It's the best that you can buy or mix for them. Thousands of Poultrymen have proved that statement by raising more chicks, bigger chicks, better chicks, on Larro than they ever got before using it.

The same satisfying results await your first trial.

Night Winds in Mountains

A meteorological phenemenon found among the high mountains and noticeable in many places in Waterton lakes national park in southern Alberta is the night wind from the mountain tops. During the heat of the day the warm air rises from the valleys, but at sunset a current of air from the peaks rushes downward, bringing with it the scents of pines and larches, and it may be of the flowers of some alpine meadow a couple of thousand feet above.

Gift Worthy of Prince

The costliest Christmas card ever made was prepared at the order of an Indian prince. Although the card measured only 12 by 10 inches, it involved six months' incessant work for the artist who produced it. Forty elephants were killed before tusks of exactly the right quality were obtained to yield the thin ivory card. On it four of the talented Indian artists reproduced 100 scenes from the life of Buddha. Around the edge of the masterpiece, to form a frame for the pictures, 44 of the finest diamonds were set.
