MR. CLEWS SAYS WAR WILL END IN FEBRUARY

The Rev. William Clews preached at Georgetown, Md., on Sunday morning, Aug. 5th. His sermon was on "The Rise and Fall of Empires." In a convincing way he showed that God has not separated himself from the affairs of men and nations. He showed that as "God hath given to thee (Nebuchadnezzar) a kingdom, power and strength and glory," so God from that time has done and still is doing the same thing regarding kings and kingdoms. He showed plainly and without the least ambiguity that the 2nd chapter of Daniel has been fulfilled. That the ten toes of the image are here. The ten kingdoms which the ten toes represented are before our eyes; count them—England, Spain, Belgium, Italy, Austria, Montenegro, Roumania, Bulgaria, Greece and Servia. Here are the ten kingdoms for the revealing of which the world of Bible scholars has long been waiting. Remember, Germany and Russia were not part of the Roman Empire; also that France and Portugal are not kingdoms but republics and that Turkey is not a kingdom and never was. Mr. Clews showed also that according to the 7th chapter of Daniel another king should arise, a man with high looks and using blasphemous words. The Kaiser is the real person whom this prophesy describes. The 7th chapter of Daniel declares that this king should subdue 3 kingdoms. This has actually come to pass. Think of it—Montenegro, Servia and Roumania have been entirely subdued. Belgium has not been subdued. The above chapter declares also that the king with the high looks and using blasphemous words, would make war with the saints (christians) for a time, times and half time. What are the christian nations in the great war? Not the German, not the Turk, not the Bulgarian, nor the Austrian. If these nations are christian, they are acting like the devil. Christianity today has its mainstay in America and England. War will be made against them for a time (1 year) times (2 years) and a half time (6 mos.) 3 years and 6 months, and then what. The dominion of the blasphemous king shall be taken away from him. At the end of the above "times" the Kaiser will lose his dominion and then all "rulers" shall serve and obey Jesus Christ.

Mr. Clews spoke in a convincing manner regarding these things and made them plain as the alphabet. He left no doubt in the minds of his hearars that the war would end in February—3 years and 6 months from its beginning.

Mr. Clews will preach next Sunday at Georgetown on "God and the Nations." The sermon will be just as interesting. He was glad to see so many friends and will be delighted to see them all agian. Service at 10.30 a. m.

JOHN D. URIE, ATTORNEY.

Order of Publication

George E. Wright, Father and next friend of Edmund M. Wright, and George E. Wright, Jr., Infants; Emma C. Wright, Martha J. McWhorter, John D. Urie, Trustee,
versus
Thomas H. McWhorter, Adult; Edmund M. Wright and George E. Wright, Jr., Infants; Non-resident Defendants.

In the Circuit Court for Kent County, in Equity. No. 2011.

THE object of this suit is to secure the sale under the decree of the Circuit Court for Kent county, Md., in Equity, of the lands and premises designated as No. 2, and containing 172 acres, 2 roods of land, described in a deed of trust from Martha J. McWhorter to Robert J. Catts, dated February 25th, 1902, and duly recorded in Liber J. T. D., No. 6, folio 216, &c., of the Land Records for said Kent county, which farm is located in the First Election District of said Kent county, state of Maryland.

The Bill recites that by said deed the said Martha J. McWhorter conveyed to one Robert M. Catts in trust the said farm, along with other lands and premises, this farm being designated in said deed as No. 2, for the use and benefit of Emma C. Wright for life, with remainder over in fee to her two children then living, the above entitled infant defendants, Edmund M. Wright and George E. Wright, Jr., and on their death before their mother, then to the brothers and sisters of the said Emma C. Wright, of which brothers and sisters the said Thomas H. McWhorter is the only survivor.

That subsequent to the said deed Ola J. Catts, the only surviving sister of Emma C. Wright and Martha J. McWhorter conveyed to the said Emma C. Wright by deed, a certified copy of which as Exhibit No. 2, is filed with said Bill as a part thereof, two thirds of the net income of the said farm and all the contingent interest of the said Ola J. Catts therein, and in which deed said tract is designated as No. 2.

That John D. Urie, Esq., one of the above entitled plaintiffs is Trustee by appointment of this Honorable Court in succession to the said Robert M. Catts.

That said property by reason of the dilapidated condition of the buildings and fencing and depreciation of the land is almost untenantable and may become quite so upon a fall in the price of farm products and that it would therefore be to the material advantage, benefit and interest of the said infants remainder holders as well as of all others having an interest in said farm and premises that it be sold and the proceeds invested and further depreciation in said remainder interest be arrested so as to produce an assured income for the future for those thereto entitled while the said farm can be sold as cultivatable and tenantable.

That there is no money with which the required improvements and repairs can be made in the Trust Estate.

To the end therefore:

That the said farm and premises may be sold under the decree of this Court and the funds derived therefrom invested under the control of said Court and that the plaintiffs may have such further and other relief as their interests may require, it is prayed that the above entitled defendants, Edmund M. Wright and Geo. E. Wright, Jr., infants as aforesaid, who reside at 139 W. Fishers Avenue, Olney, in Philadelphia county, State of Pennsylvania, with their parents, the said George E. Wright and Emma C. Wright; and Thomas H. McWhorter, who also resides in the State of Pennsylvania, but whose address is unknown, are non-residents of the State of Maryland, are prayed to be proceeded against as non-residents of the State of Maryland by order of publication as against non-residents.

It is thereupon this 3rd day of August, A. D., 1917, by the Circuit Court of Kent County, State of Maryland, in Equity, ordered that the plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 3rd day of September A. D. 1917, give notice to the said Edmund M. Wright and George E. Wright, Jr., the non-resident infant defendants, who reside at No. 139 W. Fishers Avenue, Olney, Philadelphia County, State of Pennsylvania, and Thomas H. McWhorter non-resident adult but supposed to reside in the State of Pennsylvania, but whose address is unknown, warning them to appear in the Court in person or by Solicitor on or before the 20th day of September A. D. 1917, to show cause, if any they have, why a decree ought not to be passed as prayed.
