## All Merchants and Other Licenses

Your attention is called to the provisions of Senate Bill No. 63, which was passed by the General Assembly of 1929.

The provisions of the Bill are, in short, as follows:

"There is imposed on all licensees, (which includes all classes of licensees, such as, traders, cigarette, billiard, garage, soda water, restaurant, plumbers, bowling alley, etc.,) who fail to take out licenses in the month of May a penalty of 10% per month of the cost of the license. In other words, licensees may take out licenses at any time during the month of May without having to pay a penalty, but on and after June 1st anyone applying for a license, who was in business in the month of May preceeding, is required to pay, in addition to the cost of the license, a penalty of 10% per month or fraction of a month."

There was also passed at the session of the Legislature of 1929 a bill requiring a separate license for each place of business.

I have no discretion in the matter and will be held accountable by the State for the collection of the penalty when my accounts are audited.

Kindly give this matter your prompt attenion, thereby saving yourself the penalty and me the embrassment of collecting the same.

## CROSLEY ICYBALL REFRIGERATOR
PROTECT YOUR HEALTH - SAVE FOOD

THE Crosley Icyball Refrigerator provides effective refrigeration at an extremely low cost.

The Crosley Icyball Refrigerator does not require electricity for its operation. All that is required is a regulated heating of the Icyball unit each day, for approximately the space of one hour and one-half. Gas may be used, or an oil stove to cook the unit. The result of this cooking is a clean dry cold lasting until the next day.

We have the Crosley Icyball Refrigerator on display in our store. Come in and be convinced of the real value, simplicity of operation and the beauty of these refrigerators.

## YOU SMOKERS, READ THIS

### If You Have Been Skeptical of Five-cent Cigars

To the gentlemen of the smoke jury—to you men who have reached the decision that you just can't get a good smoke for five cents—we want to offer some new evidence. All we ask you to do is to try one more five-cent brand: Bayuk's *Havana Ribbon*. You're going to be surprised! At last, for the small sum of five cents you can get a cigar made entirely of *ripe, long-filler* tobacco. Never heard of such a thing? Maybe not. But it's a joy'us reality now. Not a strand of bitter, raspy *under*-ripe nor a trace of insipid *over*-ripe tobacco usually found in low-priced cigars. Nor any short, loose ends to crumble in your mouth. No, sir, Bayuk's *Havana Ribbon* has the fragrance, mellow-mildness, rich flavor of fine tobacco at its best. Because every leaf is fully RIPE. Risk one nickel, men—at any nearby cigar counter. Or, better still, try a *Practical Pocket Package* of five cigars.
