DEMOCRATIC TICKET

FOR COMPTROLLER:
HUGH A. McMULLEN,
of Allegany County.

FOR HOUSE OF DELEGATES:
HARRY GRIFFITH,
S. ELLWOOD BURGESS.

FOR TREASURER:
C. FRANK CROW.

FOR SHERIFF:
WILLIAM E. BROWN.

FOR COUNTY COMMISSIONER:
ARTHUR L. HARRIS.

KENT county saved about $2,000 in money by not having an expensive Primary election, while the benefit to the people cannot be estimated in dollars. On the other haad, the Democrats have one of the best tickets ever placed before the voters. It's up to the Democrats to elect this ticket.

THE Democratic candidates for the Legislature in Kent in view of the widespread dissatisfaction with the present crab laws, which proves that some changes are needed in the law, favor amending the law in such a way as to meet the reasonable objections to its provisions.

THE NEWS would suggest that the authorities at Washington College erect an arch somewhere on or about the beautiful grounds stating in bold letters the name of the college and date of founding. Scores of strangers now pass this place and the NEWS believes in advertising.

MOST of the automobile accidents which happen daily throughout the country are caused by carelessness. The number of fatalities due to motor cars in the past year was so large that in some States new and more stringent laws were passed for the regulation of the automobile. But laws are not as necessary as carefulness on the part of the driver.

ALTHOUGH at times the figures of the destruction of the English boats by the submarines look impressive, the other side of the case is often overlooked. During a number of weeks there was no considerable varience in the sailing and arrivals at the British ports. The number has been varied from 2 499 to 2 993 sailings and from 2 374 to 2,897 arrivals maintaining an average of 2 719 sailings and 2,701 arrivals. Bringing in food supplies as these ships do, there should be no danger of England "starving."

THE ill fortune which befell Maryland's oyster industry last year when a large area of seed oysters was killed by some unknown cause has been repeated this season. This situation is causing much concern. After visiting Hodges Bar, Tea Table, Handy Hill and as far Pooles Island Commander Howard was confronted with the unpleasant fact that where they had expected to find millions of young seed oysters there was scarcely a live oyster. This condition, according to the commission, is absolutely unexplainable. The commission will start an investigation to locate the cause of this great mortality.

SHOULDERS FOR STATE ROADS

The State Roads Commission will ask the next General Assembly to provide an appropriation with which to construct shoulders for all highways which have been improved and which will be improved in the future.

The improvement will be urged on the ground that there is a general demand for wider roads. Another argument will be that many accidents can be avoided by the addition of the shoulders.

The commission will also recommend more stringent laws to regulate use of the state roads by heavy motor trucks, which have been destructive and costly.

The work of building improved roads through incorporated towns is progressing rapidly. Half a dozen towns are now witnessing the work. The improvement has been retarded by the failure of several towns to make provision for smooth-surfacing the space between the roads built by the state and the pavements.

IMPORTANT TO REGISTER

Another election will soon be held and unless one is registered, he will not be permitted to cast his vote for the men whom he believes would best serve his and the people's interest.

If you believe in the principles of the democratic party, your belief will not do that party any good unless you cast a vote in favor of its nominees on election day, and to do this you must first register and get your name upon the voting list.

The democrats who are already registered must remember that it is highly important to get others of the same political faith to go and do likewise, for this is the only way that a party can keep up its strength.

Every democrat can help in this work first by registering himself if he is not already registered; secondly, by finding out every man in his neighborhood whose names are not on the books. Report all such cases to the Democratic State Central Committee, or to any man on the democratic ticket, so that the matter may be attended to.

NURSING WANTED.

ADDRESS BOX 34,

KENT COUNTIANS realize, as never before, what war means. It has now come close to us, taking from our homes those held dear. These young men are a band of patriots. There is not a single man in its number who joined because he wanted to make soldiering a profession or a means of livelihood. They joined because the land they loved was threatened by a foreign foe, because the liberty and freedom that they and their forefathers have ever enjoyed was in danger of being crushed by an autocratic government made mad by greed and ambition. They joined well knowing that in doing so they were risking their lives—lives yet in the spring of life, when the skies are brightest and to be alive is happiness itself. May those who are unable to go appreciate in the fullest sense the sacrifice being made not only by them, but by the millions of others, this great country over, who also have left business, home and loved ones to fight our battles.

WOMAN'S DEFENSE COUNCIL

The October meeting of the Woman's Defense Council of Kent county will be held at the Eastern Shore Inn on Monday evening, October 1st, at eight o'clock.

All Red Cross and Navy League units of the county please bring full written reports of all Red Cross and Navy League work done during the months of August and September, also please bring a list of all canning and drying done during the summer by the ladies of your units, including preserving and jelly and pickling, and also please bring the amount that was spoiled of your canning and preserving.

District leaders please bring a complete list if possible of all that has been done in their district, besides.

All county members please be present and there will be a speaker present.

MRS W. W. HUBBARD,
Chairman.

MORE INFORMATION WANTED

MESSRS. EDITORS:—Is it right or legal for men to make oath that they are Democrats so as to be entitled to vote in Democratic primaries, and while they are still on the poll-books as Democrats to take another oath that they are Republicans when they are offered a place on the Republican ticket?

If we are to have such a calamity as Republican rule we would be safer in the hands of honest Republicans who belong to that party from principle than to put men in control who are "swayed by wounded egotism and a morose and dangerous envy" and are Republicans for the selfish reason of a personal gain. The "rump" Republicans who have taken the reins of their party from the real Republicans do not show an inclination to confine their actions to what is right and legal.

We are greatly indebted for the "information furnished" by the editor of the leading Republican paper of Kent county and feel highly honored to have him devote more than half his editorial space to answer a part of our letter. Of course we regret that we touched such a sore spot and made him jump so high.

DEMOCRAT.

INFORMATION SUPPLIED

MESSRS EDITORS KENT NEWS:—

In your people's column of your issue of the 22nd, we see under the heading of "Information Wanted" the following: "Is it right or legal for the Republican board of county commissioners to take the county money to pay for the bond of a Republican Treasurer?" Signed Democrat. Below will be found the law, which we feel will soothe and quiet the megalomania trouble so recently developed in our Democratic writer. We wish further to state that seven of the counties out of the nine on the Shore pay the Treasurer's bond.

Chapter 413 of the Acts of the General Assembly of Maryland, passed at the session of 1906, reads as follows:

CHAPTER 413.

18A. When any county treasurer, tax collector, county commissioner, or any officer coming within the common meaning of a county official, in giving the bond required of him by law, shall furnish a bond executed by a surety company authorized by the laws of the State of Maryland to execute such bonds, and such bonds shall be approved, then in each and every such case the county may pay the premium for such bond, not in any instance to exceed one-half of one per cent per annum of the penalty of the bond so executed and approved; upon the execution and approval of any such bond the county commissioners may direct the payment of such premium on such bond from the general fund of the county in the same manner as is prescribed for the payment of general county debts; provided, however, that when any such bond is given by a Clerk of Court, Register of Wills, State's Attorney or Sheriff, the payment of the premium on said bond shall be charged as an expense of any such officer.

BOARD COUNTY COMMISSIONERS.

NOTE.—Since this publication officials who have heretofore furnished their bonds are taking steps to have their money refunded.—EDITORS.

Public Warning

All persons are hereby warned against placing any obstructions of any kind upon the public highways of Kent county, or interfering with or obstructing any of the ditches or drains thereof, as the same is made a crime by Section 167L of Chapter 403 of the Acts of 1910, and is punishable by a fine of from $1.00 to $25.00. Particular attention is directed against placing headrow filth in the ditches of the county roads.

WAR WAS STARTED BY WOMAN

Civil Conflict in England Dated From Time Jenny Geddes Threw Stool at Bishop's Head.

A stool, such as people used to sit upon in churches, and which was cast at the head of the dean of St. Giles in Edinburgh, may be said to have marked the beginning of the civil war in England which ended with the downfall of Charles II. This event took place on July 23, 1637. It will be remembered that James I contrived to introduce bishops into the Scottish church. His son, Charles I, desired to go still further and introduce a book of canons and a liturgy. Archbishop Laud, whose tendencies were toward the Roman Catholic church, backed him in his project. Between them they prepared a service book, and the order went forth to have it read on a certain Sunday in all the churches in Scotland. The Scotch, however, declined to have their religious service tampered with. When the day came for reading the new service book few of the clergy were willing to proceed with it, such was the opposition among the people.

In the principal church of Edinburgh, the chancel of the old cathedral of St. Giles, which contained seats of the judges, magistrates and other authorities, the liturgy was formally introduced under the auspices of the bishop, dean and other clergy.

There were no pews in those days, each person bringing his own stool to church with him. When Bishop James Hannan started to read the service one Jenny Geddes arose and threw her stool at the good man's head. So started the first outbreak in a conflict that was to have important results.

CIVILIZATION OF AGES AGO

Ruins of 172 Cities, Big and Little, Have Been Discovered on Yucatan Peninsula.

Scattered all over the Yucatan peninsula are monuments to a civilization that flourished thousands of years ago. Just how many thousand nobody knows and scientists differ very materially in their ideas on the subject. The prevailing belief, however, is that this civilization was in full swing as late as the beginning of the Christian era. Other scientists assert that the ruins antedate those of Egypt.

Yucatan can well be called "the American Egypt," George Minor writes in the Mexico Review. The ruins of 172 cities, big and little, have been discovered, and not a quarter of the territory has been carefully explored, for the tropical verdure makes the finding of the ruins difficult. You might pass within a hundred feet of a wonderful old temple or pyramid a hundred times and not discover it, so effectively does the jungle screen these crumbling monuments of the distant past and shield them from the prying eyes of this inquisitive and presumptuous age.

Of the 172 clusters of ruins discovered, two sets represent what were once large and prosperous cities, of about one-half million inhabitants each. Doubtless at different times each one of these two cities was the capi-

Milbourne A. Toulson, Francis N. Davis, Mary Maria Greenwood and Laura T. Lambert, Plaintiffs,
versus
Mildred G. Prettyman, Laura R. Hackett, William Davis, Charles T. Toulson, Ernest R. Toulson, Nathaniel Toulson, Robert Toulson, Milbourne Toulson, William Toulson, Dolly Toulson Williams, Katherine T. Martz, James H. Toulson, Charles F. Toulson, Benjamin H. Toulson, Sallie T. Crispin, Martha Gillman and the unknown heirs of Kate Bradley, deceased, Adult or Infant, and whether residents or non-residents of the State of Maryland, Defendants.

In the Circuit Court for Kent County,
In Equity. No. 2021.

THE object of this suit is to procure the sale of a small lot of real estate located on the south side of Queen street, in Chestertown, Kent county, Maryland, of which Kate Bradley, late of said county and state, died seized and possessed, and to distribute the proceeds of sale among her heirs at law according to their respective rights.

The Bill recites Milbourne A. Toulson, Francis N. Davis, Mary Maria Greenwood and Laura T. Lambert, all residents of Kent county, State of Maryland, hold joint and concurrent interests with the above named defendants in a lot of land located on the south side of Queen street, in Chestertown, Kent county aforesaid, which is held by them in fee simple as heirs at law of Kate Bradley, formerly the widow of J. Louis Gill, who intermarried with James S. Bradley, and died in 1892 intestate and without issue, survived by the said James S. Bradley, who departed this life in July, 1917, which lands and premises were conveyed by Martha A. Biscoe to the said Kate Bradley, then Kate Gill, by fee simple deed dated December 7th, A. D. 1875, recorded in Liber D. C. B., No. 2, folio 579, &c., of the Land Records for said Kent county, a certified copy of which deed is herewith filed, marked "Plaintiff's Exhibit A," and prayed to be taken as a part hereof.

That upon the death of the said James S. Bradley in July, 1917, as aforesaid, who enjoyed a life estate in said property as the widower of the said Kate Bradley, the title to said property passed in fee simple to said Milbourne A. Toulson, a brother, Francis N. Davis and Mary M. Greenwood, sisters of the said Kate Bradley, and to her following named nephews and nieces as above entitled, so far as your orators are advised:

Charles T. Toulson, Ernest R. Toulson, Nathaniel Toulson, Robert Toulson, Milbourne Toulson, William Toulson, Mrs. Dolly Williams, Katherine Martz, who together represent the interest of John T. Toulson, deceased brother; James H. Toulson, Charles F. Toulson, Benjamin H. Toulson, Mrs. Sallie T. Crispin, Mrs. Martha Gillman, who together represent the interest of James H. Toulson, a deceased brother; and Mildred G. Prettyman, Laura R. Hackett and William Davis, her three grand neices and nephew, who, together with Laura T. Lambert aforesaid, a neice, represent the interest of L. J. Davis, a deceased sister; all adults above the age of 21 years, but whether these are all the heirs of the said Kate Bradley, deceased, is not certainly known, or whether all such heirs are adults and residents or non-residents of the State of Maryland.

That the said lot is improved by a frame dwelling and is of a total value of about $900.00 or $900.00, but is not susceptible of division among those entitled to interests therin without material loss and injury, and that in order to make division of said interests it will be necessary that said real estate be sold and the proceeds divided amongst the parties entitled according to their respective interests.

To the end, therefore:—

1. That a decree may be passed for the sale of the said real estate.

2. That the proceeds of such sale may be distributed among the above entitled parties and the unknown heirs at law, if any, whether residents or non-residants of the State of Maryland and whether adults or minors, according to their respective interests.

3. That your orators may have such other and further relief as their case may require.

May it please your honors to grant unto your orators the writ or subpoena directed to the said Mrs. Dolly Williams adult, residing near Federalsburg, Carroline county, State of Maryland; and also the Order of Publication giving notice to the following heirs who are of the above entitled defendants, whose residence is not certainly known, but supposed to be as follows:

Mildred G. Prettyman and William Davis whose residence is No. 530 Crowson street, Germantown, State of Pennsylvania. Laura R. Hackett, whose residence is No. 1833 W. Fourth street, Wilmington, state of Delaware; Charles T. Toulson, Earnest R. Toulson and Mrs. Sallie T. Crispin, all three residing at the town of Salem, in the state of New Jersey; Nathaniel Toulson, who resides at Pennsville, State of New Jersey; Robert Toulson and Milbourne Toulson, both residing at No. 7244 Vandyke St., Tacony, State of Pennsylvania; William Toulson, who resides at No. 140 N. Grant avenue, Columbus, state of Ohio; Kathryn Martz, who resides at 1156 Greenwood avenue, Camden, state of New Jersey; James H. Toulson, who resides at Woodstown, State of New Jersey; Mrs. Martha Gillman, who resides at No. 3311 Mickle street, Camden, State of New Jersey; Charles F. Toulson, who resides at No. 2218 Kidge avenue, Philadelphia, Pa., and Benjamin H. Toulson, who resides at No. 4625 A Street, Olney, both in Philadelphia county, state of Pennsylvania, all supposed to be adults and non-residents of the state of Maryland and all other the adult or minor, the resident or non resident unknown heirs of the said Kate Bradley, all of whom are prayed to be proceeded against Order of Publication as non residents of the State of Maryland, whether Adults or Minors and whether residents or non-residents of the State of Maryland commanding them and each of them to be and appear either in person or by solicitor, in this Court on or before a certain day to be named therein, to show cause if any they have, why a decree ought not to be passed as prayed herein.

It is thereupon this 20th day of September, A. D., 1917, ordered by the Circuit Court for Kent county, in Equity, that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent county, once in each of four successive weeks before the 22nd day of October, A. D., 1917, give notice to the said non resident Defendants, Mildred Greenwood Prettyman, Laura R. Hackett, William Davis, Charles T. Toulson, Earnest R. Toulson, Nathaniel Toulson, Robert Toulson, Milbourne Toulson, William Toulson, Katherine Martz, James H. Toulson, Charles F. Toulson, Benjamine H. Toulson, Mrs. Sallie T. Crispin and Mrs. Martha Gillman, whether residents or non-residents of the State of Maryland, and the unknown heirs of the said Kate Bradley, Adults or Minors, residents or non-residents of the state of Maryland, warning them to appear in this Court in person or by solicitor on or before the 22nd day of December, A. D., 1917, to show cause, if any they have, why a decree ought not to be passed as prayed.
