OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's.

In buying drugs the really essential feature is

PURITY

It is impossible to get cheap Drugs and have them pure. The only advantage we get is buying in quantities. We buy the best and sell them close—the result is a lower cost to you, but we never slight the worth of the drugs we sell and we are exact on the PRESCRIPTIONS we fill.

Supplies for home, bath, nursery and sick room are found here in great profusion.

REV. LEONARD B. SMITH ACTIVE IN VICE CRUSADE

The first move in a crusade against Seattle vice was made by Prosecutor Alfred H. Lundin Thursday, through Deputy Prosecutor Summers, when the latter filed red-light abatement law proceedings against 18 hotels and rooming houses.

The filings charge 15 property owners and agents, many of them prominent Seattle buisness men and captalists, with permitting their properties to be used for immortal purposes.

The evidence in all of these cases was gathered by church men of the city, acting under the leadership of the Rev. L. B. Smith, vice crusader of the Methodist Protestant Church, and the Rev. U. Grant Murphy, in charge of Japanese missionary work in Seattle for the American Bible Society.

Among the men charged are H. B. Kennedy, millionare president of the Navy Yard route; A. .D. Williams, prominent real estate agent; State Senator R. D. Nichols, one of the city's leading attorneys, and Frank D. Renick, foreman of the last King county grand jury.—Seattle Star Sept. 6.

Rev. Mr. Smith is well known in this town and county, having graduated at Washington College and serving as pastor of a Baltimore church for seven years. Dr. J. M. Gill started to clean up Seattle when he was there and did much toward awakening the people.

WILL NOT SEIZE HOME FOODS.

Government Issues Emphatic Denial Of Report That It Is going To Commander The Housewife's Pantry.

There is no truth in a widely circulated statement that the Government expects to take food supplies from any family. Both the Food Administration and the Department of Agriculture join in a statement to counteract what seems to be a deliberate propaganda to the effect that the Government intends to take from every family all canned goods put up in excess of 100 quarts.

This is only one of the variations of the rumor, which has been widely circulated. Another statement is that the Government has been urging the canning, drying, and preserving of fruits and vegetables so that they will be in a convenient form for the Government to handle and transport when it takes them away from the people. Further elaboration is that these goods are to be taken away from American homes and shipped to England.

The authorities state emphatically that no such course has ever been contemplated by the Government. On the contrary, both the Department of Agriculture and the Food Administration are strongly urging housewives to can and preserve, especially at this time, all surplus fruits and vegetables in order that the households themselves may have a cheap and plentiful supply of food.

TO THE BOYS OF KENT COUNTY

Good-bye boys, here, take you my hand,
Ere you leave home and us
At your country's command,
Go, let it be wherever it may,
Trusting 'twill prove your "Red Letter" day.
Don't wait a moment,
Go in to "make good"—
Go in for glory,
Start to "saw wood."
Cut out all tremor—discard the "if";
That proud upper lip of yours
Be sure to keep stiff.
Hold up your chin,
Keep step with the drums;
That, when word soon shall name
You as heroes—what fame!
We'll know why it comes.
Where'ere you be—wherever sent,
Work with a will for the glory of KENT.
Go "over the top" and don't be afraid;
Grit is the stuff from which heroes are made.
Don't stop to grin,
Go in to win.
The top of the ladder you'll reach by degrees,
But not on a pair of faltering knees.
When you go in to fight,
Go in with your might;
Hit left and right.
Then—
By the time you've begun,
The victory is won.
Keep the Star Spangled Banner ever on high;
Pride in your bosom,
And fire in your eye.
Let come the day when you've landed in France
Impatient and anxious for the word to advance.
Show the Boche what it is to be chuck
Full of pluck.
We know not a son of OLD KENT wold dare buck
At his duty. 'Twill not be the luck
Of any old Hapsburg or any old Kaiser
To escape the intent
Of the heroes from KENT:—
They'll awake from their dreams and be wiser.
Of course when the Yanks to fight shall begin,
They'll strike for World's Liberty,
With their goal at Berlin.
Then hell to the day—*guten tag*—when it comes—
When the world will resound with the *Entente* drums.
What a day it will be—Ha! a century's brag—
To know that KENT COUNTY was there with the flag.

Facts Regarding Merchandise

Never in the history of the present generation has the securing of merchandise been as difficult as now. Supply and demand, the only true reasons, have brought about unusual conditions regarding prices in first hands. This business, now covering three-quarters of a century of fair dealing with its customers, will not "profiteer" on any of our merchandise.

On many lines old contracts at year-ago prices are now being filled. In every instance advances will not be made where it can be avoided. Included in our fortunate holdings are the following desirable lines:

Silk Taffetas, $1.50 and $2.25 yard.
Satins, $1.65, $2.00, $2.25, $2.50 yard.
Crepe de Chine, $2.50 yard.
Chiffon Broadcloths, $3.90 yard.
French Serges, $1.50 and $2.00 yard.
Storm Serges, $1.25, $1.50, $2.00, $2.50, $3.00 yard.
Wool Poplins, $1.50 yard.
Wool Gabardines, $2.50 yard.

French Kid Gloves and domestic Wash Kid, Mocha and Buckskin Gloves will be found at prices comparing favorably with the lowest quotations of years ago.

The same applies to Handkerchiefs, Silk Gloves and Hosiery.

Knitted Underwear and Muslin Underwear are no noticeably higher than a year ago.

Whatever household Linens we own in the way of Damasks, Napkins, Towels and fancy linens are all kept within the lines of fairness.

Blankets, Comfortables and Spreads are lines we would suggest that you choose liberally now.

As indicative of our efforts to give values far beyond market conditions you should see the qualities we are offering in Plain White Turkish Towels at 18c, 25c, 35c and 37½c.

For next week we place on sale 600 initial Turkish Towels at 29c each, the exact number and quality you bought one and two years ago.

Conditions mentioned apply equally as true to our Garment section.

We show Women's Suits at $25.00 each that were never better.

The same can be truthfully said of Dresses, Waists, Coats and Skirts.

No store anywhere is better prepared to serve you honestly than here. A comparison right through our lines will be convincing proof of this.

Beginning Monday you can have the services of an expert corsetiere, who will be in attendance in our Corset section for the entire week.
