OLD,
TRIED,
AND
TRUE.

People are getting acquainted—and those who are not ought to be—with the wonderful merits of that great American Remedy, the

MEXICAN
Mustang Liniment,
FOR MAN AND BEAST.

This liniment very naturally originated in America, where Nature provides in her laboratory such surprising antidotes for the maladies of her children. Its fame has been spreading for 35 years, until now it encircles the habitable globe.

The Mexican Mustang Liniment is a matchless remedy for all external ailments of man and beast.

To stock owners and farmers it is invaluable.

A single bottle often saves a human life or restores the usefulness of an excellent horse, ox, cow, or sheep.

It cures foot-rot, hoof-ail, hollow horn, grub, screw-worm, shoulder-rot, mange, the bites and stings of poisonous reptiles and insects, and every such drawback to stock breeding and bush life.

It cures every external trouble of horses, such as lameness, scratches, swinny, sprains, founder, wind-gall, ring-bone, etc., etc.

The Mexican Mustang Liniment is the quickest cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for rheumatism, and stiffness engendered by exposure. Particularly valuable to Miners.

It is the cheapest remedy in the world, for it penetrates the muscle to the bone, and a single application is generally sufficient to cure.

Mexican Mustang Liniment is put up in three sizes of bottles, the larger ones being proportionately much the cheapest. Sold everywhere.
