# BROKEN DOWN IN HEALTH

## Woman Tells How $5 Worth of Pinkham's Compound Made Her Well.

Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sanative Wash. I began taking your remedies and took $5.00 worth and in two months was a well woman after three doctors said I never would stand up straight again. I was a midwife for seven years and I recommended the Vegetable Compound to every woman to take before birth and afterwards, and they all got along so nicely that it surely is a godsend to suffering women. If women wish to write to me I will be delighted to answer them."—Mrs. JENNIE MOYER, 342 E. North St., Lima, Ohio.

Women who suffer from displacements, weakness, irregularities, nervousness, backache, or bearing-down pains, need the tonic properties of the roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

## GALENA

Mr. and Mrs. Harvey C. Trinks are spending some time visiting relatives and friends in Philadelphia and in Camden, N. J.

The delegates and officers to attend the Epworth League convention at Still Pond Oct. 23, 24 and 25 are Rev. and Mrs. Frank White, Mrs. T. H. Ruth, Mrs. Walter Hadley, and Mrs. C. M. Dempsey; alternates, Mrs. Thos. Caldwell and Mrs. Samuel Caldwell.

The Galena Red Cross Circle is meeting twice a week, Tuesdays and Fridays, at I. O. O. F. hall at 2 p. m. Every one is cordially invited to come who can aid the work in any way. Galena Red Cross has finished a large amount of work. The four last young men who were sent out from the draft were furnished with woolen outfits and comfort bags, just as all of the others had been. Any one wishing to join the National Red Cross Society or taking out Liberty Bonds are invited to do so through the Circle.

Mrs. Elmer Pierce, who has been sick at the home of her parents, is improving.

Mrs. Frank Blessing, with her little daughter, of Wilmington, is visiting her sister, Mrs. Powell.

Next Sunday in all the churches will be "Food Conservation" Day, and our pastors will have some interesting and helpful things to tell us. Get there in time for Sunday school.

On Sunday week the morning service in the M. E. Church will be in the interest of the "Wesley Collegiate Institute" formerly known as "Wilmington Conference Academy." Rev. Mr. Nichols, of Still Pond, will be the speaker.

The third quarterly meeting for Galena charge was held in Locust Grove church Monday morning, Rev. W. A Wise presiding. Rev. Frank White was unanimously invited to return for another year. The report showed good work along all lines.

Mrs. Arnold Steward and Mrs. Salloway, of Wilmington, who have been visiting at the home of Mr. and Mrs. James Hicks, have returned to their homes.

Mrs. Sara Smith, who has been spending a week at Betterton, has returned to her home in town.

Miss Emily Caldwell, of Beacom's College, spent the week-end with her parents in town.

Miss Hilda Shaw, who has been quite sick, is able to be at school again.

L. R. Vansant and family spent Sunday in Newark visiting their daughter, Annie M., who attends the Woman's College there.

Mrs. Emma Pettiborn, who has been visiting relatives in town, has returned to her home in Baltimore.

Mrs. Joseph Dixon and daughter, Miss Mollie, spent last week visiting friends and relatives in Philadelphia and Wilmington.

Mr. and Mrs. Horace Gambrill and Miss Gambrill spent part of last week at the home of Mr. and Mrs. John Pennington.

Harry Clark, who has been quite sick, is somewhat better at this writing.

## CADETS DEFEAT RIVAL

St. John's College won from Washington College Saturday afternoon by the score of 13 to 0, the visitors scoring two touchdowns in the second quarters as a result of splendid forward passes. While only one of the forward passes actually resulted in the scoring of a touchdown, the other netted a long gain and put the Cadets in a position to take the ball over on the next few plays.

**Efficient Service.**—So efficient and satisfactory in every way has been the work of the Lusby Automobile Company in carrying passengers back and forth from Tolchester during the past few years that we think their work is deserving of special mention. Never have we heard a complaint from anyone, notwithstanding the fact that at times the weather was very bad and the number of passengers very many. Walter U. Lusby, the manager, only employs safe drivers and he has yet to have an accident where anyone has been injured. Neither have we heard of a case when a boat was missed or a passenger disappointed.

THE following books have been added to the Chestertown Public Library:

Dominie Dean—Ellis Parker Butler.
The Secret of the Storm Country—Grace Miller White.
Christine—Alice Cholmondeley.
His Own Country—Paul Kester.
The High Heart—Basil King.
Herself, Himself and Myself—Ruth Sawyer.
The Alter of Freedom—Mary Roberts Rinehart.
Amarilly of Clothes-line Alley—Belle K. Maniats.
Amarilly in Love—Belle K. Maniats.
Someone and Some Body—Porter Emerson Browne.

THE White Sox, by winning the World's Series each man will get $3,983,55. New York Giants will each get $2,548.24 One year ago the share of the players was slightly more—the Boston Red Sox dividing $97,756 47, and the Brooklyn Robins $65,170.98. The record for attendance and receipts was set in 1912, when the Boston Red Sox and the New York Giants battled through eight games to a decision. In that year the total attendance was 251,801 and the total receipts $490,449.

## IN MEMORIAM

In loving remembrance of my father, ALFRED O. JONES, who departed this life January 20th, 1917, nine months ago.

Dear is the grave where my father is laid,
Sweet is the memory which shall never fade;
Roses may wither, leaves fade and die,
Others may forget you, but never will I.
