Weather Reptor

This week was the second consecutive dry one. The mean temperature of the week was about one degree below normal. There was one day with light rain. There were four cold and three warm days. Strong winds were frequent: they dried out the surface soil, affected winter grains adversley, interfered with field operations, and sand-covered some wheat fields on the Eastern Shore.

Plant growth made little progress this week. Winter grains and grasses deteriorated to fair to good, except some fields declined to poor. Earliest planted peas and potatoes, earliest sown and planted truck crops and gardens, and earliest sown oats are up or coming up. Winter grains are in the jointing and stalking stages.

Some plowing and some preparation of the soil for planting of corn was accomplished. Some sugar corn is being planted in gardens at Bel Air and Flintstone . Planting corn in fields started at Hurlock and Keedysville.

Sowing vegetable seeds, oats, and clover, sowing and planting gardens, planting peas, early potatoes, cabbages, and other vegetables, sowing tomato and tobacco seeds in beds and bedding sweet potatoes continue.

Late peach and late pear trees are blooming or are in full bloom and late strawberry plants are coming into bloom or are blooming, except in the Allegheny Mountain region. The peach and pear blossoms are bumper number at Highland.

Apple trees are in full bloom in the southern counties and are blooming in the northern counties, except in the Allegheny Mountain region. Some apple blossoms were damaged by frost and freezing temperatures one night at Keedysville.

Wheat is inches high and cherry trees are in full bloom at Unionville. Southern grown tomato plants are being transplanted, string beans and cantaloupes are being planted, and asparagus is being cut at Hurlock. Barley and rye are high at Northeast and are up good at Ridgley.

ORDER OF PUBLICATION

Elmer Thomas Kelley
vs.
Catherine Winne (Spence) Kelley
In the Circuit Court for Kent County
In Equity No. 3356

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimoni for the Plaintiff, a resident of Kent County, Maryland, from the Defendant.

The Bill states:

1. That on the 22nd day of October 1934 your Complainant, Elmer Thomas Kelley, was married to Catherine Winnie Spence, at Still Pond, Kent County, Maryland, and they went to live in Rock Hall, Kent County, Maryland.

2. That your Complainant, Elmer Thomas Kelley, is a resident of Rock Hall, Kent County, Maryland, and has been for the past three years. That your Defendant, Catherine Winne (Spence) Kelley resides in Atlantic City, New Jersey, her address is unknown, but I am advised by some friends of hers that she receives her mail General Delivery, Atlantic City, Post Office.

3. That although the conduct of Complainant, Elmer Thomas Kelley towards his wife, Catherine Winne (Spence) Kelley has always been kind, affectionate and above reproach the said Catherine Winne (Spence) Kelley without any just cause or reason abandoned and deserted him about the 1st day of September 1938 at Rock Hall, Kent County, Maryland. She left your Complainant and she declared her intention to live with him no longer and such abandonment has continued uninterruptedly since that time and is deliberate and final and the separation of the parties is beyond any reasonable expectation of reconciliation. That he has not lived with his said wife as man and wife since said separation.

4. That there have been no children born as a result of said marriage.

It is thereupon, this 5th day of May, 1943, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, Elmer Thomas Kelley, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 29th day of May next give notice to the said Catherine Winne (Spence) Kelley, non-resident defendant, warning her to appear in this Court in person, or by Solicitor, on or before the 14th day of June next, to show cause, if any she has, why a Decree ought not to be passed as prayed.
